

## Mary Kern's Statement/Invocation

I am the one who brings the light to once again  
make sacred what fell to ruin. I learn from the  
Inanna Underworld how to rise again to reclaim  
my feelings, emotions, pleasure, intimacy and creativity.

I am guided by my Aquarius Meta-Goddess to the true  
freedom within myself and as I heal my wounded  
Ancient Taurus Goddess she helps me to remember  
the lost pleasure, beauty, stability and intimacy so

I may step into my **Leo Goddess**  
leading with grace and dignity as the  
**Divine Star Creator Shaman Queen** that I am.

I give thanks to my tutor Pluto  
for her Guidance on this path.
