Aries Meta Goddess at the Crown Chakra Moving through Scorpio September 9 to October 31

The Aries Meta Goddess at the Crown Chakra moving through Scorpio claims her supreme Divinity as Warrior Shaman Queen - Protectress of the Cosmic Order

She is a fully ignited and initiated conduit of the Divine - Reconnecting Earth and Sky. She knows the Highest Heights and the Deepest Depths.

Her audacious and passionate purpose is alive and embodied as unshakeable strength. She is generative and in co-creative alignment with the Life Death Life Cycle of the Earth Realm.

Threshold between the Scorpio to Libra Cycle

Venus travels through Scorpio from September 9 to October 31, just prior to the Morning Star Rise of Venus at 29 Libra.
Stationing Retrograde October 5, 2018 at 11 Scorpio
Conjunct the Sun October 26, 2018 at 03 Scorpio
Returning to Libra on October 31

This time when the Aries Fierce Feminine Meta Goddess completes her initiation cycle, we have an opportunity to integrate and honor the Evolutionary work done within the last 96 years that has occurred during the time of the Scorpio Meta Goddess.

Consider how we have experienced a Global Death and Rebirth Cycle and how the Dark Goddess has been manifesting in our world since 1922. How has Humanity come into Greater Aliveness during this Time? Or Has It?

Also consider the Scorpio Cycles Within your Lifetime. What transformation/alchemy/change has occurred during those cycles? (see cycles on next page.)

Next slide features Cayelin's brief summary of her Scorpio Meta Goddess Cycles as an example of Alchemy over time

Cayelin's Venus Return Example:

Venus in Aries, Scorpio Overtone, Evening Star, 5th Chakra

Age 8 Abusive Grade School teacher. Afraid to speak in class for fear of being punished or shamed. My parents thought I talked too much and sometimes taped my mouth shut.

Age 16 Excessively shy and afraid to speak up. Parents marriage begins to break apart, I get blamed by my father who is unable to see his part.

Age 24 A co-worker yells at me (big projection) in front of other co-workers at a temporary job ending in a week. I don't defend myself. I just quietly gather my things and when I get home, I call and quit.

Age 32 My first husband is having an affair and lying about it. I finally get my voice to demand specific changes. When they don't happen I file for divorce (not final until age 33). I didn't fight for an equal share of our assets. BIG mistake.

Age 40 Began the Priestess Process and was asked to speak in front of others. I get lots practice facing my fear of being seen and heard.

Age 48 Did my first Radio and Television Interviews for Shamanic Astrology. Second husband required an intervention. I shared with Priestess sisters (using my voice) about what was going on and they helped me figure out what to do. Second divorce is final two years later.

Age 56 In the Best Marriage ever with excellent communication, getting better all the time. More Radio Shows, On-line Summits, and Interviews. Created my first YouTube videos with some having over 20,000 views. More teaching opportunities, both live and online. Tracked my Venus Cycle ceremonially and shared the process I created with clients and Synodic Cycle course participants - eventually leading to creating Venus Alchemy with Tami.

- *How Have I Demonstrated Great Courage in this Venus Cycle?*
- *Capture in a Single Phrase The Most Essential Learning in This Venus Cycle. If You Get Stuck Consider the Imbalance in Your Life. What Phrase Describes The Resolution of This?*

Tami's Example Imbalance has Been How My Life is Dictated By Others' Expectation (Perceived and Real).

Current Mantra: *I Am The Whole Hearted Captain of My Life Ship*

Aries Inanna Coronation Oath - Sample

These are meant to inspire your own Coronation Oath and Reclaiming of YOUR Crown Chakra.

Are you willing to actively manage and protect your sovereign domain including: your precious time, energy, resources, body, mind, spirit - from any and all influences that do not serve your heart's purpose and your soul's divine intent?

Are you willing to practice compassion and mercy for yourself as you continue your life journey, even if you have not yet found your worthy cause?

Are you committed to returning again and again to yourself, standing for and furthering a heart-directed mission you hold dear?
