Q & A

# Who Are the Grandmothers

## Why are They So Important for this Venus in Libra Cycle?

- Venus Alchemy began in 2014 guided by the Circle of the Grandmothers in the Capricorn Cycle.
- Many original Clan Mothers were honored in Iroquois Confederacy
- The U.S. Constitution adopted many of the key features of the Iroquois Constitution.
- However, the U.S. constitution neglected to adopt the critical practice of placing the Clan Mothers at the top of the decision-making hierarchy: the women whose priority it was that all policy serve the Earth and next Seven Generations.
- This Venus in Libra Cycle is the first since 1763 featuring a direct handoff from Aries to Libra Cycle.
- The 2017 August 21 Total Solar Eclipse aligned with an eclipse that was present at the founding of the Iroquois Confederacy, activating a Seed Point to Restore the Original Spiritual Blueprint of the U.S. Government.
- The Iroquois Confederacy was founded August 22, 1142, when Venus was stationing direct in Libra.

# The Grandmothers Guiding this Venus in Libra Cycle

- The Circle of Grandmothers have guided Venus Alchemy from its inception in 2014.
- They are our ancestors and guides of blood and spiritual Lineage
- The Iroquois and U.S. Constitution The Circle of the Grandmothers and 7<sup>th</sup> Generation Principle were NOT adopted representing unrealized facets of the U.S. Spiritual Blueprint
- The Declaration of Independence was signed during a Venus in Libra Cycle
- The U.S. Constitution was signed Sep 17, 1787 during a Venus in Capricorn Cycle
- The Iroquois Confederacy was founded August 22, 1142 during a Total Solar Eclipse as Venus was stationing retrograde in Libra at the end of an Aquarian Venus Cycle and rising as Morning Star in Libra on September 6, 1142
- The 2017 August 21 Total Solar Eclipse Re-activated the U.S. Spiritual Blueprint
- This Venus in Libra Cycle is an opportunity to Further Activate the original Spiritual Blueprint

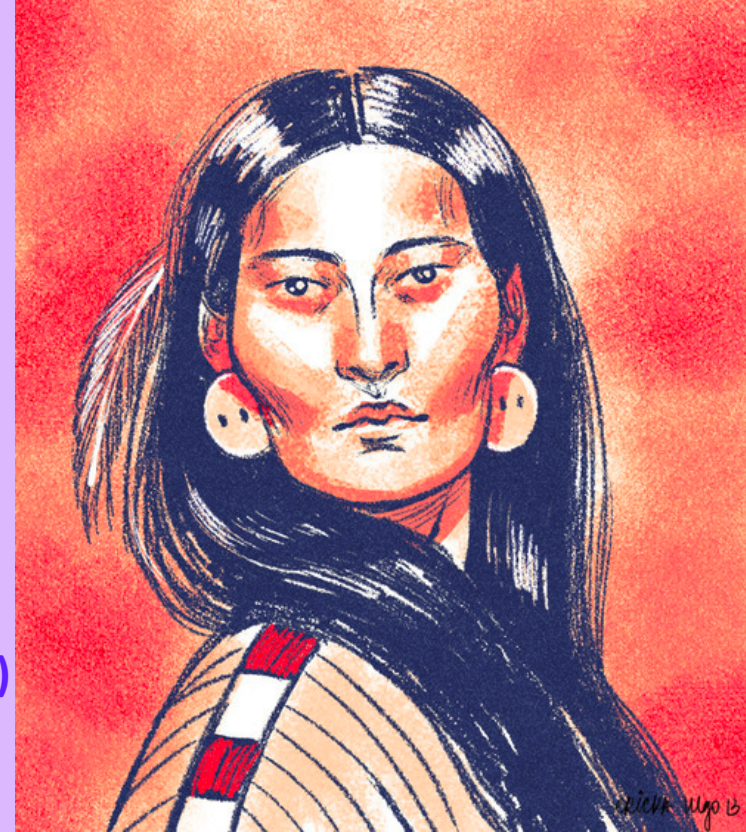

# Jigonhsasee: Mother of Nations

She is an important figure spoken of in the Oral histories of the Iroquois people who embodies the fully realized Libra/Scorpio Goddess.

- The Iroquois Confederacy's Founding was proceeded by a Dark Age of Violence and Brutality
- Jigonhsasee's home was a Neutral Zone located at the crossroads of the five tribes
- She resolved disputes and selected leaders
- Some accounts indicate she was a sexual healer like Mary Magdalene (Scorpio)
- She was seen as the first Clan Mother (Grandmother)
- She was a co-founder, with The Great Peacemaker and Hiawatha, of the Haudenosaunee (Iroquois) Confederacy.
- Jigonhsasee means "New Face," a name given by Hiawatha, the Great Peacemaker who said: "it is in your countenance that a New Mind is manifest," and "out of the womb of the new mind" new nations will be born.

*We honor Jigonhsasee and call on her in this Libra Cycle to help us rise above the brutality and violence and dynamics of polarity and separation to choose diplomacy, and a culture of peace.*

# Mantras From the Grandmothers

Done is Better than Perfect

Fun is Better than Perfect

Well Begun is Half Done  
On Our Way to More Fun

Taking a step in a new direction  
does not have to be perfect.  
It just has to be a step.

**Sekhmet Mantra:**

**SA SEKHEM SAHU**

SA - breath of life

SEKHEM - sacred power

SAHU - the realized human being

This mantra suggests the sacred  
power of our breath inspires the realization  
of our divinity within our human form

**The Libra Meta Goddess maintains  
the Cosmic Balance once it has been restored**

# The Libra Meta Goddess

**Invokes Relational Alchemy to Restore Peace  
In a World Ravaged by Patriarchal Separation and Violence**

# Libra Venus Cycle

## Dismantling the Patriarchy

*As a Householder/Culture Bearer or Cardinal sign, Libra carries distortions from the past 5000 years of Patriarchy.*

This Libra Venus Cycle is an opportunity to personally and collectively encounter and dismantle wounds at the heart of Patriarchal Culture.

### **These Include as a Starting Point:**

- Women as property
- Do What I Tell You To Do – No Equality
- Vulnerability perceived as Weakness
- Survival of the Fittest vs. Cooperation and Collaboration as a Thriving Skill
- Planet Earth, Feminine, Indigenous used as an Extractive Resource

# This Initiatory Journey is About:

- Understanding the Importance of Healthy Relationships where everyone is equally valued for their unique contribution
- Learning more about the value of Co-creative Cooperation and Collaboration as the basis of a healthy relational experience
- Knowing self through what others reflect
- Learning how to be a skillful Diplomat and Peacemaker, promoting Harmony, Balance and Personal Connection
- Releasing the pain of hierarchy, domination and power over
- Recognizing we can accomplish far more together than on our own

# Libra Crown Chakra Healing: God as Male

At this gate we may encounter the distortion of Cultural Conditioning identifying God as Male Only - Upholding Patriarchy.

We Might Ask Ourselves  
(Women and Men):

- *How has the pervasive concept of God as Male impacted my view of myself, Women, the Earth - in strong or subtle ways?*
- *What distorted assumptions and beliefs have I inherited and passed on about partnership and relationship from this patriarchal lens?*
- *What would it take for me to release any remaining harmful beliefs related to that History and embrace the Feminine as Divine Source in Balance with Masculine?*
- *What would it take for me to experience a living, continually renewing connection to the Sacred Feminine as a source of strength, spiritual insight and support?*

# Rise of the Tantric Love Goddess

## Scorpio to Libra Bridge

- This Venus in Libra Cycle follows 96 years of Scorpio Venus Cycles.
- The crown chakra conjunction with the Moon is in Scorpio on Dec 3
- This suggests the First-In-Our Lifetime Libra Venus Cycle is a Threshold Cycle where the Leading Libra Goddess Archetype is being deeply informed by the Scorpio Mysteries.

Questions for this Scorpio-Libra Bridge Cycle include:

- *How will the Rise of the Relational Libra Feminine be intensified, energized and transformed by the Scorpio Mysteries?*
- *How might this support us in confronting and releasing the patriarchal dimensions of Libra including codependency, rigid ideas about right relationship, and people pleasing at the expense of authenticity?*

# Release at the Crown Chakra

## Offering it to the Libra Meta Goddess

Releasing habits and conditioning of giving away power to an outside Male God Like Authority

### Questions For Morning Star Libra at the Crown Chakra

- *In what areas of my life have I given my power away to a masculine partner - giving up who I am to be with that partner?*
- *What would it take for me to BE true to who I am while engaging in conscious, co-creative, collaborative relationships with others.*
