# Questions for Libra at the Heart Chakra

*What old scars, bitterness and resentment am I carrying and am ready to heal, clear, and release now?*

*Where do I abandon my own needs to meet those of others AND what would it take to shift that pattern now?*

*Where am I blocking the love and intimacy my heart desires now AND what would it take to open and receive the love that is my birthright?*

*How Would it Look and Feel to Have a Whole Hearted, Ecstatic Love Affair with My Self and My Life? What Would it Take to Experience This?*

**Libra Meta Goddess Asks:**

**What Would It Take to Surrender All Barriers  
to a Whole Hearted Love Affair with Life Itself?**

# **Libra Meta Goddess Moving Through Aquarius at the Heart Chakra: March 2-26**

Is a Revolutionary Heart Experience, blowing up any and all False Beliefs, Stories and Cultural Conditioning, Liberating Us Into a Whole-Hearted Love Affair with Ourselves, Our Beloveds, And All of Life

Yet this Journey May First Involve Discovering the shackles that have kept Us Heart bound and mute, bowed before the False Belief that Love is Not For Us.

**We now joyously burst and dismantle all constricting heart-chains - expanding into the Whole-Hearted Lovers and Light Bringers we were Born to Be!**

# Libra Meta Goddess Moving through Pisces at the Heart Chakra

**March 26 to April 1**

Surrenders to Grace Any and All Barriers, Grievances and Resentment Standing in the way of her Whole Hearted Embrace of Life and Love.

She may first encounter the heart-scars she has gained through her empathy-as-survival habits where she opened her heart to those unready, unwilling, unable to meet her.

Yet each scar has created an opening where she is ready now to feel more of her own Heart Essence and her true nature as Love, Light and Deep Presence. And as she now fills with the Heart Essence that is her true nature, she - and we – become a magnet for great love that is strengthening, nourishing, illuminating, equal, and fully awakened. And So it Is.

# Breaking Free of Patriarchal Dynamics In Love and Marriage

*“Wives, submit to your own husbands, as to the Lord.” ~ Ephesians*

*To the woman he said: “...Your desire shall be for your husband, and he shall rule over you.”*

- Is the default program of female submission and male dominance alive within you?
- Are there areas where women are still unconsciously handing the responsibility of their happiness, wellbeing, and pleasure to men?
- Women, do you believe you cannot be powerful while also being loved and desired?
- Men do you believe you cannot be in touch with your emotions and still be loved and desired?
- Women, do you punish men for not fitting your standards of strong, alpha, dominant?
- Men, are you willing to cultivate greater self-love so you can meet a powerful woman's challenge with steady presence?
- What would it take for us to fully release restrictive conditioning in love and marriage?
- How would it feel to experience masculine/feminine polarity as an authentic and changing dynamic between us and within us - rather than fixed, externally dictated roles?
- What would pleasure-filled interdependence look and feel like?
