Libra Meta Goddess in Scorpio at Sacral Chakra

Dates: October 29 to-November 1

We encounter and embrace the full rapture of partnership in all its forms - intimacy with ourselves, our bodies, our personal rhythms of creativity and our Beloved.

We have met our own primal essence and found it to be delectably sweet.

We come into such an abundant and thriving relationship with money, sex, and our generative power that we are wholly satisfied, overflowing in our relationships and daily life, embodied as the nectar of the Goddess.

We have discovered the key to totally inhabiting our bodies and our center while meeting and coming into dynamic relationship with the outer and inner Beloved.

Libra Meta Goddess in Sagittarius Sacral Chakra

DATES: November 2 to 28

We are opening to the sacred and visionary aspects of embodied love within our intimate relationships.

We choose the highest vibrational expressions of love and connection in partnerships fueled by mutual pleasure.

We are visionaries opening our inner eye to see and manifest a world of peace, abundance and development of the full potential for everyone in our human family.

Mary Magdalene Speaks
From *I Remember Union*
By Flo Magdalena

I went inward and
became stronger
I followed the path of my soul
I felt L I G H T returning
emanating from deep within.

... for their choices will bring to them the knowing of their inner wisdom and the memory of their oneness.

... we knew that we lived our power through the choice to remember the way of truth – the acknowledgment that all truth, ultimately, is the same and leads us into oneness.

For the only truth is union...I am because you are!

Mary Magdalene and Yeshua (Jesus)

The Sacred Marriage - Blessing The Land and People

In the cities of Judah, and the streets of Jerusalem that are now deserted, there shall be heard the cry of joy, the cry of gladness, the voice of the bridegroom, the voice of the bride... From Jeremiah 33:10b-11a

Hieros Gamos or Sacred Marriage or Royal Wedding was performed by the royal Priestesses including Mary Magdalene when she anointed Yeshua/Jesus.

This re-enacted an ancient practice symbolizing a source of regeneration, vitality and harmony for the entire community.

It also symbolized an even more ancient tradition of the Holy Union between the Sacred Masculine and Sacred Feminine within each person.

It is a symbol of wholeness, of a rich and profound inner and outer relationship we can all experience.

Relating to Money as Sacred, Money IS Love

Money is the visible sign of a universal force, and this force in its manifestation on earth works on the vital and physical planes and is indispensable to the fullness of the outer life. In its origin and its true action it belongs to the Divine.~ Sri Aurobindo

Money is Energy and Energy is Limitless. By changing our feelings about money from fear, anger, greed and scarcity, to love, joy, abundance and goodwill, we can transform the way money moves through our lives and the lives of others all over the world.

Sacral Chakra and the Pleasure Paradigm

Our ability to experience sustained pleasure as our greatest teaching may have been disrupted by a virus that mutated human DNA - mythically speaking around the time humans were expelled from the Garden of Eden.

This made humans easier to manipulate through fear and mistrust, limiting our ability to experience physical pleasure.

Having lost the ability to experience genuine sustainable pleasure - all kinds of negative feelings, experiences, and actions have been the result. This releases lots of negative life force energy - motivated by survival further blocking our ability to experience sustainable pleasure.

How do we turn this around so savoring and enjoying sustainable pleasure is natural and easy for everyone who chooses it?

Sacral Chakra and the Pleasure Paradigm

It is time to awaken from this false reality, false dream and remember we actually have never lost our ability to experience Pleasure. It only appears that we have.

It is time to reclaim genuine Healthy Pleasurable Self-Love, while caring for each other. As we collaborate with one another to create beauty and sacred pleasure we recreate the Garden of Earthly Delight NOW.

Our Tools to Accomplish this Include:

Awareness, Intention and Attention, Choices We Make

Healthy Choices Including: Lifestyle, Self-Talk, Self-Love, Self-Respect, Self-Approval, Self-Acceptance

Eudaimonics instead of Economics

The economics of a thing is about the speed and quantity of income a thing generates. Eudaimonics of a thing is about how much life a thing produces: how well-being, possibility, and wealth is created. ~Umar Hadaq

Eudaimonia: literal translation is “good spirit or daemon.”

In Aristotle’s philosophy it referred to human flourishing or prosperity, or highest human good - expanding the concept to encompass the good of all life on planet Earth.

Guiding Principles of Eudaimonia:

How Does This Organization/Business:

- ***Summum Bonum:*** Elevate people's possibility or their highest good?
- ***Ren:*** Practice compassion and strengthen the humanity of participants?
- ***Pu*** Support people in effortlessly, naturally being their truest self?
- ***Ziran:*** supports a person or being in “becoming itself,” or natural self-transformation.
- ***Arete:*** support people in practicing virtue as a lived, everyday experience.
- ***Wu-wei:*** minimize mental action, desire, and effort in order to foster natural, instinctive flow to free human potential?
