Gemini Rainbow Goddess Initiatory Experience

Are you feeling the support of the circle and the Playful Rainbow Gemini Goddess? In what ways is this showing up for you?

What would it take to let go of any feelings or habits of serious responsibility that are holding you back from having more creative Fun and Play?

The Gemini Goddess reminds us she is not here to follow the old rules that limit her freedom of creative expression especially as they relate to creating a FUN and Fulfilling New Earth Story for us all!

It will be 2035 before Mars is this bright again lasting well into October.

Mars stations retrograde on September 9 at 28 Aries and makes its closest approach to Earth on October 6.

October 13 Mars (21 Aries)
Opposition to the Sun (21
Libra) begins a New Mars
Cycle in Aries.

Mars stations direct on November 13 at 15 Aries.

The Moon Occulted Mars (28 Aries) on September 5 or 6 depending on your time zone and location.

The East Coast of the USA got the best view of a very close Moon Mars

Though the occultation has passed the energy is still very much alive as Mars is in the retrograde standstill for about a week before and after the Sep 9 station retrograde – meaning Mars is still located near the occultation

At the Venus in Gemini Throat Chakra Portal with Aries Mars retrograde completing a 26 month Aquarius Cycle we ask:

- How is the Awakened Masculine Warrior in service and guardianship of the Magical Feminine?
- How do we call him forth from the highest quality frequency within ourselves and in the world around us?

With strong volatile Mars
Aries Retrograde square
Saturn Energy activated this
month

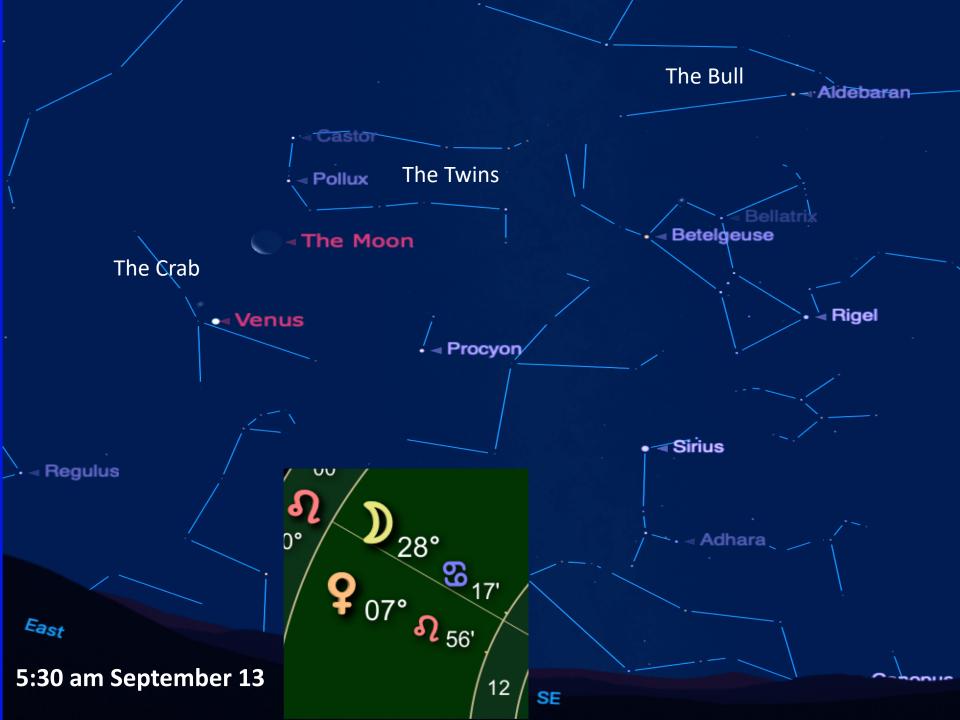

We invoke the medicine of the Gemini Goddess to divert aggression, tension or anger through play, mischief, and comedic expression, transmuting it into beauty, laughter, and healing.

The Greeks & Romans called it Praesepe (pronounced pri-see-pee). a.k.a. Meisser 44 or M44. China thought this was an area of captured spirits or demons, known as Yugui.

The Beehive is about 600 light years from Earth and one of the closest clusters to Earth with about 1000 stars. 50 or so of the brightest stars are what we can observe in a telescope otherwise it appears as more of a faint smudge to the naked eye. At least 9 distant galaxies are located in this cluster.

Beehive Cluster

Bees remind us

Nature operates through

Cooperation

Venus and the Moon near the Beehive Cluster (almost 8 Leo) are illuminating the light codes connecting us with Bee Medicine and the importance of **BE**ing in the present moment, **BE**ing willing to embrace what life has to offer. Bees work in community creating honey, representing the sweetness of life. Bees seemingly accomplish the impossible suggesting we can accomplish anything we put our energy and passion towards. The teaching of the beehive is working in cooperation for the good of the whole for the purpose of cocreating a golden age of peace and plenty for everyone.

Gemini Meta Goddess in Leo At the Throat Chakra

She is letting go, with a hearty roar, any and all chains, constrictions, limitations on her voice, her creative expression, her brilliance, her shine.

She is ready to let go, to lay down all that is burdensome, restricting her from fully embodying and using her Divine Voice.

She is full of fire, she is free, and she is creating a New World Story with every color in the rainbow, every crayon in the box, leaping and dancing and singing and painting, visioning, and bringing into full color, clarity and joyful intensity the NEW SONG, NEW STORY, NEW VISION for the people and for the Earth

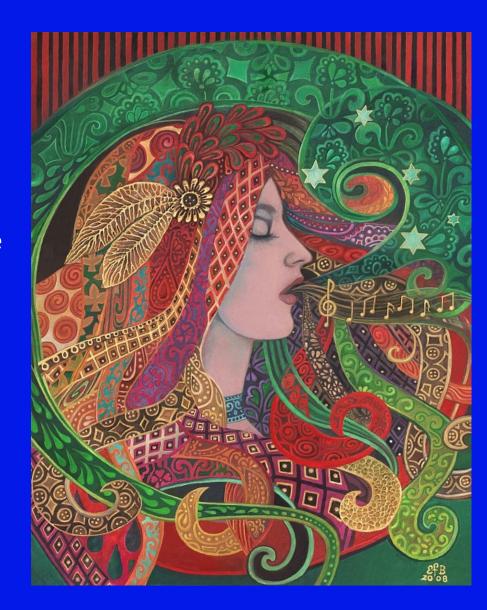

Gemini Meta Goddess in Virgo at the Throat Chakra Enters October 2

She is surrendering all her attachments to outer authority while reclaiming the sovereignty of her voice.

Having long forgotten who she is - she is beginning to remember. No longer will she hide in the shadows, behind the scenes.

She is claiming her voice though it may be shaking. She is speaking for the Feminine, for the Earth, for Gaia.

She is finding her songs, she is making her prayers. She is creating her ceremonies of praise for the Sacred Pattern of Creation and each Sacred Being's place within it.

Magic through Music and Speaking A Gemini Favorite

Invocation through Music and Songs

The Latin word for poem (poeta) originally meant *Magical Formula* and the word for sing was Cantre meaning "to work magic, to produce by magic."

"The knower of the mystery of Sound knows the mystery of the whole universe." The World is Sound, Nada Brahma: Music and the Landscape of Consciousness "Joachim-Ernst Berendt, 1991

Remembering Magic and Magical ways through story, myth and song helps us to remember our own soul and come home to the truth and inspiration of who we really are.

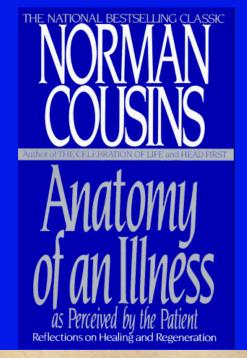

Humor as Medicine And Activating the Throat Chakra Gemini Style

Norman Cousins wrote about his profound healing journey in his 1979 book "Anatomy of an Illness," describing how he cured himself of a seriously debilitating disease through the use of humor.

In his book and in a 1984 movie based on the book, Norman insisted on a health protocol that included massive doses of Vitamin C and watching old Marx Brothers movies helping him to belly laugh as a significant part of curing his disease.

The cure worked and he went on to live a long, healthy life to age 75!

In 1984 Ed Asner portrayed Norman Cousins in a TV movie based on the book. See it here https://youtu.be/0LwKd68S15I

Ten minutes of genuine belly laughter had an anesthetic effect and would give me at least two hours of pain-free sleep.

Norman Cousins American Journalist

Smile Often – Its Contagious. Smile at yourself in the mirror, smile at those you know and those you encounter and don't know. Smile for no reason. Smiling is contagious and often leads to laughter

What was significant about the laughter . . . was not just the fact that it provides internal exercise for a person . . . a form of jogging for the innards, but that it creates a mood in which the other positive emotions can be put to work, too.

Norman Cousins

THAT MOMENT WHEN YOU REALIZE

YOU FORGOT YOUR KEYS

Gemini & Laughter as Medicine

When we laugh with one another, a positive bond is created. **Helping you:**

Be more spontaneous, getting you out of your head

Let go of defensiveness. Helping you forget resentments, judgments, criticisms, and doubts.

Release inhibitions. Relax and Enjoy

Express your true feelings. Deeply felt emotions can more easily rise to the surface.

Using humor helps resolve disagreements and manage conflict with others. It lowers stress levels and tension especially when in highly emotional situations.

Always Find a
Reason to Laugh.
It may not add
years to your life
But it surely adds
life to your years.
