# Gemini Meta Goddess at 8<sup>th</sup> Chakra in Capricorn

**December 6 to January 2**

The Rainbow Goddess has recovered all her colors, her full spectrum light. She has unbound herself from the rules of karma, untethered her soul from distorted beliefs, patterns and frequencies from her ancestral line.

We discover our inner authority, personal mastery and elder wisdom as we hear the soul's calling to forgive the past, practice self-compassion, and turn toward life, expectant and ready for more play, more joy, more freedom and more beauty, created by us and our loving Rainbow Clan.

We see, feel and speak the New World Story into Being. This is where we live. With more magic, freedom, fun, and laughter our birthright and legacy. And so it is, Blessed Be.

Eclipses

**The Pleiades (or seven Sisters) star asterism is located in the constellation of the Bull spanning 29 Taurus to 0 Gemini**

**Indigenous peoples around the world believe they are from the Pleiades and it is their stargate to return home.**

Known as the Seven Sisters in many cultures including: Native American Tribes, Greece, Rome, Siberia and Australia.

© 2021 Venus Alchemy

Other cultures connecting to the Pleiades are the Hawaiians and Mayans etc.

There are descriptions of these stars that date back more than 40,000 years.

The Pleiades have been described as the cosmic star mother who gave her children the codes of light.

Also Described as the Flock of Doves – it is thought this star system has links to Mary Magdalene and the Merovingian bloodline.

# Venus Retrograde and Time of the 8<sup>th</sup> Gate

**Venus stations retrograde** around 28 or 29 degrees from the Sun in the evening sky

©Venus Alchemy

Venus is retrograde for about 40 Days, 16 days evening sky, 8 days metamorphic underworld, 16 days morning sky.  $16+16+8=40$  (not always precise but usually very close)

**Within 5 to 28 days after a 7<sup>th</sup> or 8<sup>th</sup> Gate Venus Moon conjunction Venus Goes Retrograde**

**Venus goes Retrograde December 19, 2021 at 26 Capricorn 29 or 13 days after the December 6, 2021 8<sup>th</sup> Gate**

The 7<sup>th</sup> or 8<sup>th</sup> Gate Ends when Retrograde Venus meets with the Moon on Jan 3, 2022.

This is a super charged alchemical time as Retrograde Venus enters the 10 degree range of the Sun the day before known as the Metamorphic Underworld.

**Venus meets with the Sun on January 8** at 18 Capricorn 33

**Venus rises as Morning Star January 14** at 15 Capricorn 04 very close to the stars Nunki and Vega

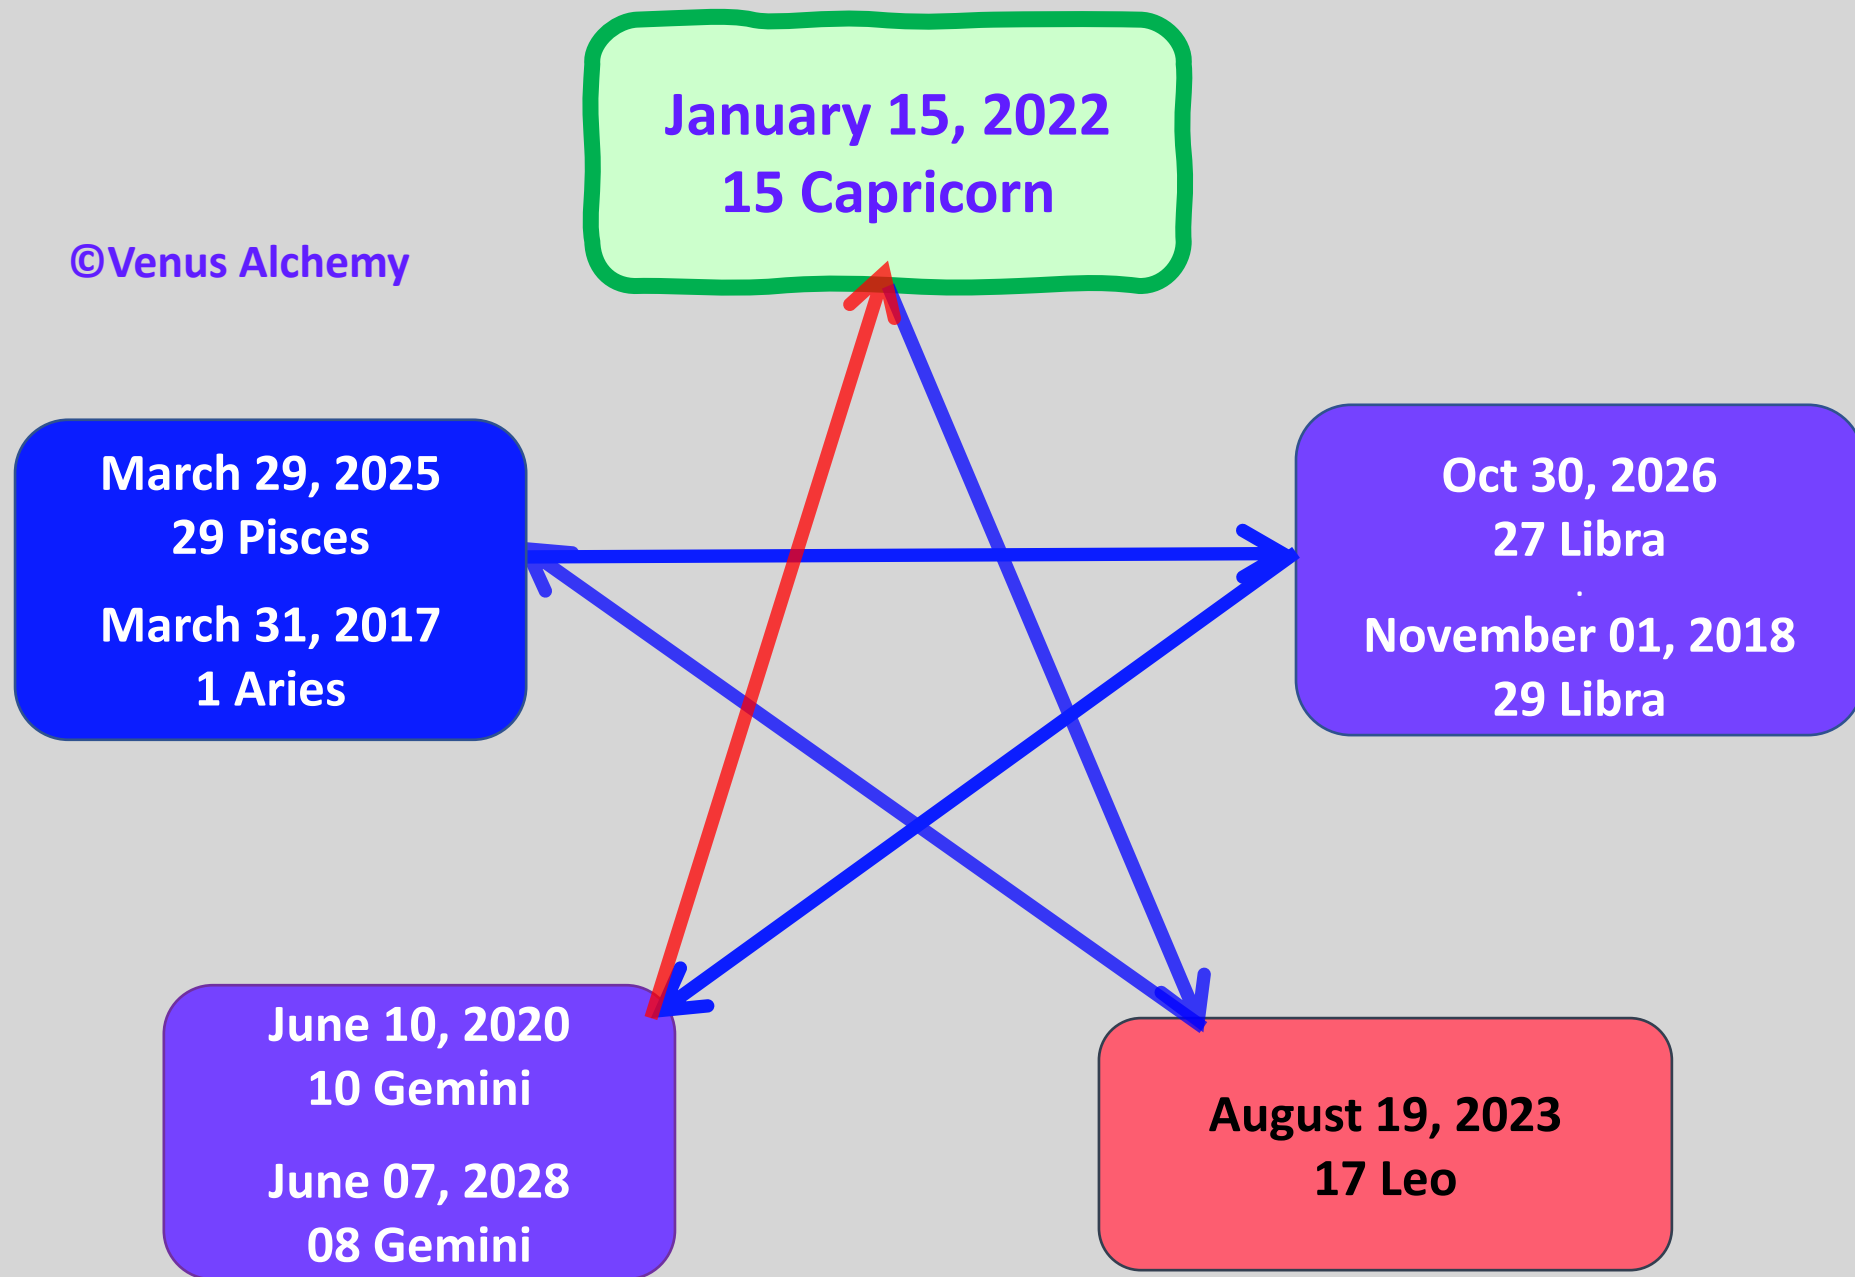

A New Venus Cycle Begins with the Capricorn MetaGoddess guiding our way for the next 19 months.

The numbers 3 6 9 represent the energetic pathways or conduits into material reality.

The other numbers 1, 2, 4, 5, 7, 8 are the manifested forms that all add up to 3, 6 or 9.

$$1+2=3$$

$$3+3=6$$

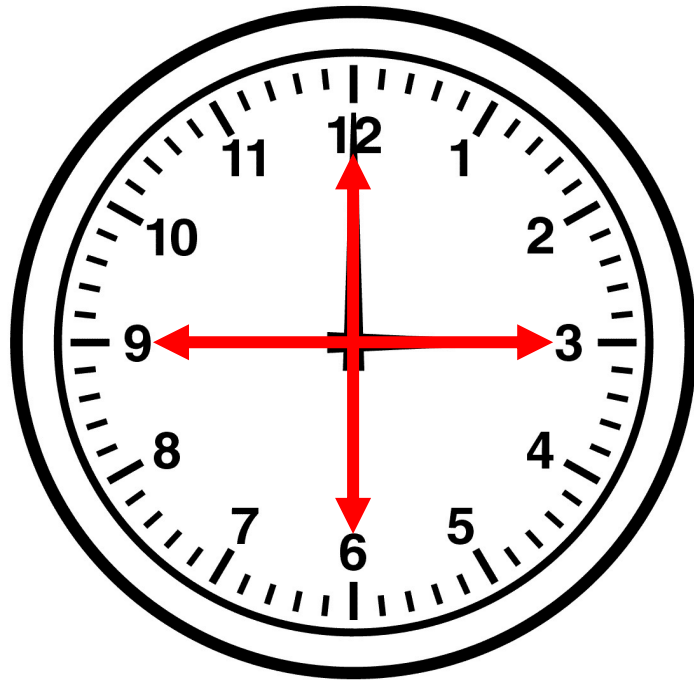

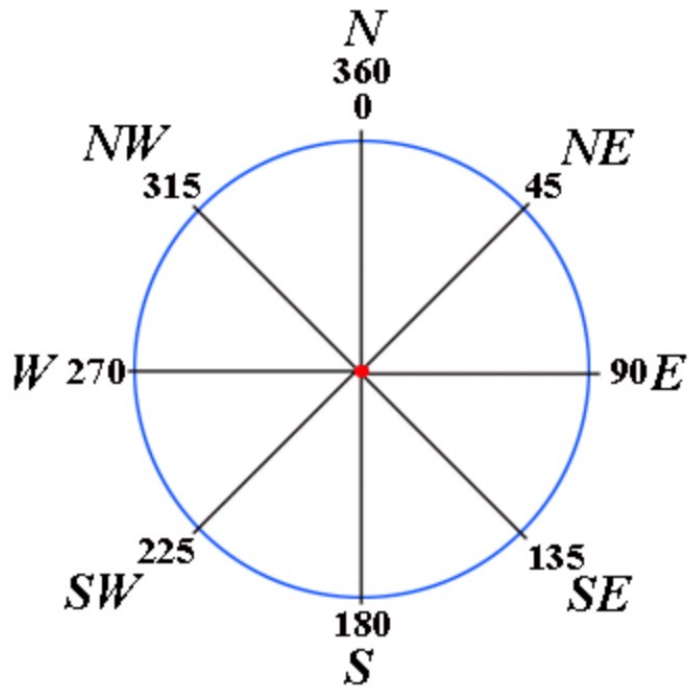

$$3+6=9$$

$$4+5=9$$

$$6+6=12 \text{ and } 1+2=3$$

$$7+8=15 \text{ and } 1+5=6$$

$$9+9=18 \text{ and } 1+8=9$$

A 360 degree circle adds up to 9 ( $3+6=9$ ) as do these points on the compass  
45, 90, 135, 180, 225, 270, 315

Longitude and latitude coordinates use these numbers for the main grid lines.

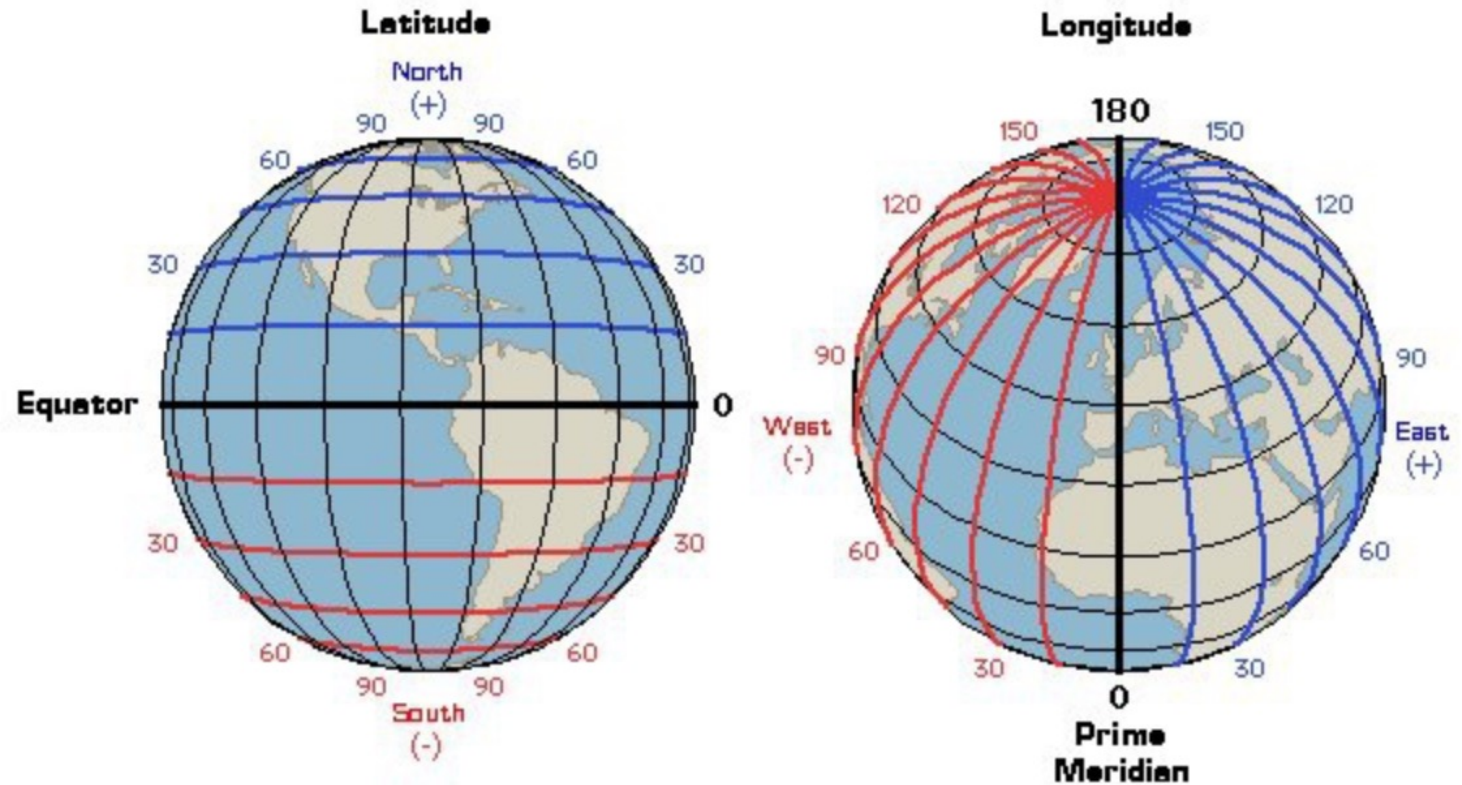

### Clock Time

60 seconds in a minute, 60 minutes in an hour

24 hours in a day  $2+4=6$  and  $3 \times 6=18$  ( $1+8=9$ )

The quarter points of the clock are all 3,6 9

The New Earth

# **Gemini MetaGoddess at the Soul Star Chakra**

## **Human, Divine, Earth and Sky Magic**

How can I even more consciously embrace my inner creative expression bringing forth my gifts as I embrace my Human/Divine self?

What would it take to deepen my relationship to my own inner magic and creative self?

What would it take for me to deepen my magical connection to the spirits of the land where I live?

What would it take for me to activate more of my magical self and bring forth the greater magic that is within me?

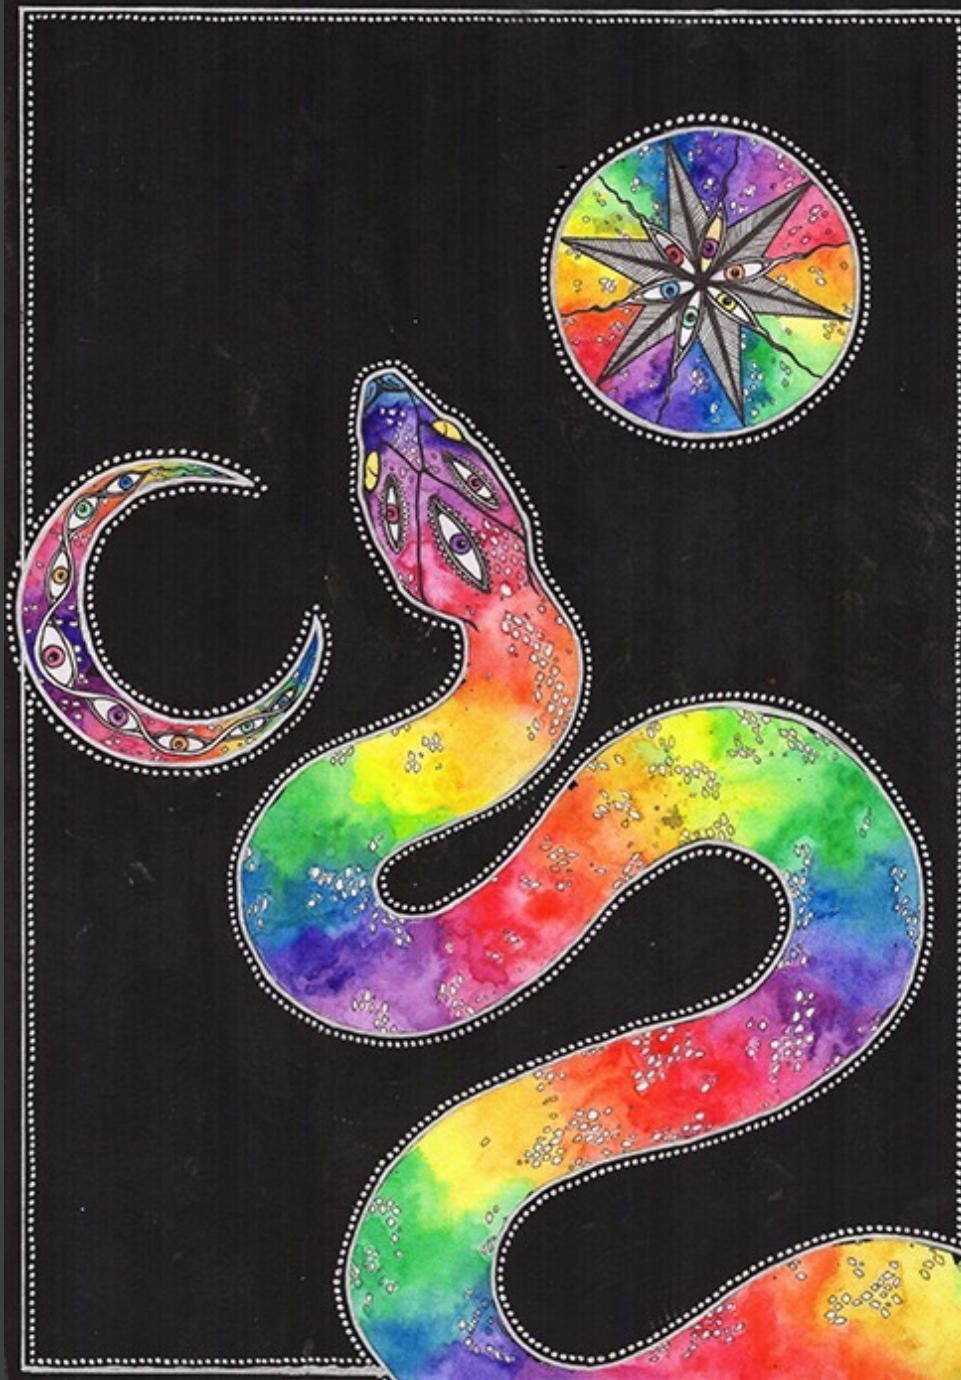

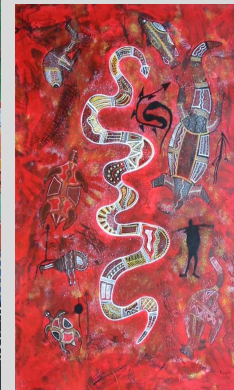

# The Rainbow Serpent or Rainbow Snake

Dreamtime: An immortal creator being, a huge snake or serpent slumbering beneath the Earth's surface awakens and in turn awakens others (animals, plants and humans)

The rainbow serpent (snake) connects the cycle of the seasons - traveling from one waterhole to another. This is thought to explain why some waterholes never dry up when drought strikes.

- Giver of life, due to its connection to water
- Protector of the Land
- Destructive Storms and Floods if enraged
- Fertility, reproductive, regenerative power (spirit children at the waterholes find mothers to impregnate when they are wading in the water)
- Supports the abundance of Plants and Animals

**This stunning image of the Rainbow Serpent painted under a rock overhang near Mt Borradaile in Arnhem Land Australia is thought to be the largest ever discovered in northern Australia.**

<https://www.timbowden.com.au/2018/07/30/the-remarkable-aboriginal-rock-art-of-mt-borradaile/>

If you feel called, as the  
**Rainbow Goddess**  
(she is us and we are her)  
completes her ascension  
it is a perfect time  
to consciously invite  
(perhaps through a song or chant)  
the ancient - far beyond time  
Rainbow Serpent Mysteries  
that live within each of us  
to activate our **Rainbow Light Body**  
so we are a **Rainbow Bridge** connecting  
the **Heart of Our Galaxy**  
with the **Heart of the Earth**  
Bridging them within **Our Own Hearts**  
as we consciously assist in  
Birthing the New Earth  
Joyously Expressing Through  
Pure Loving Magic and Miracles,  
Ensuring Peace and Plenty for ALL

[Rainbow Activated DNA](#) by Melissa Shemann

The background of the image is a dark blue night sky filled with numerous small, twinkling stars. Several bright, colorful fireworks are exploding in various patterns, including starbursts and streaks of light. The colors of the fireworks include yellow, blue, green, and red. The overall effect is one of a festive and celebratory atmosphere.
