10th Moon Cycle Clan Mother Weaves the Web

Gossamer thread of life hold me,
Perched between Earth and Sky,
Weaving the web, dreaming the dream
Through the two worlds I will fly.
With you as my muse, Mother,
I create the substance of dreams,
Allowing the artist within me
To fashion my life esteem.
I mold the clay of experiences
Into a sacred Medicine Bowl,
Capturing the essence of living
As it sings deep in my soul.
Your secrets of creation, Mother,
Have taught me when to destroy
The chains that have bound me,
Limiting the expression of my joy.
You have taught me how to labor,
Giving birth to the visions within,
Setting them free like silver arrows,
Kindling the fire of Creation again.

Releasing at the Third Eye Chakra with the Leo Meta-Goddess in Virgo

Oct 8/9 – Nov 7/8

Goddess Priestess we ask your help in perceiving more of our inherent Divinity through our sight, visions and intuition.

With your guidance may we envision how sacred our lives truly are, recognizing our brilliance and light. Seeing the holiness within and around us, show us through your eyes, how to perceive the perfection in the extraordinary patterns of the Earth and Sky.

We ask your support in completely trusting our Intuition, releasing distortions to our seeing and knowing.

Your sacred work which is watching and perceiving. Help us to clear any blocks that prevent our seeing what the Earth and Sky are always showing us.

Guided by the patterns and cycles of the Earth and Cosmos, you ground us and assist us in embodying the Divine, bringing our attention there, and opening our hearts to greater self-love.

A Courageous Vision Carrier IS:

Insightful, Inspired and Inclusive

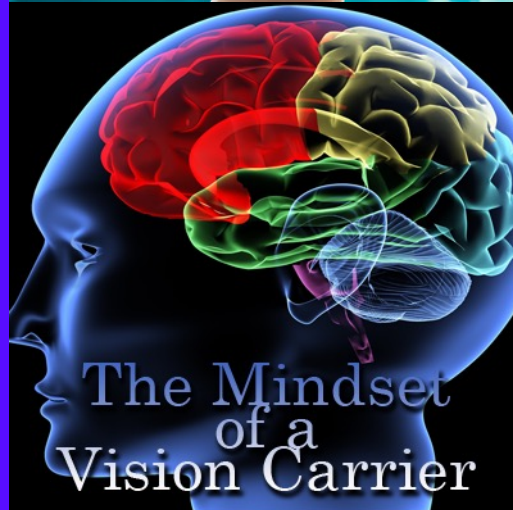

Someone who sees what others don't see and brilliantly applies their vision for the greater good

Someone whose Vision benefits and supports all life to Flourish and Thrive

Someone who knows it is important for all life to feel loved, valued, supported, safe and blessed - developing their vision accordingly

Someone who is compassionate and generous recognizing :

“we are all in this together”

Leo Meta-Goddess and the 6th Chakra

Vision Carrier for the Community

Questions to Ponder

What (if anything) is in the way of me receiving my Divinely Inspired Vision?

What would it take to release whatever is in the way of receiving that vision clearly?

What am I courageously letting go so I can first receive and then share my vision while asking for and receiving the support of others in its manifestation?

For some it will be more personal and for others it will be more collective.

The visions we receive are sacred, let us care for them!

Honoring the Queens

Juno/Hera – Goddess Sovereign Queen

Sovereign Goddess initially, reigned alone, sacred need for solitude and virginal (sovereign) renewal - remained even after she morphed for the new religion.

Queen of the Heavens, like Inanna, one story tells of the milk of Hera's breast creating the Milky Way

Queen of the Feminine, governing the female principle of life, concerned with all aspects of women's lives. Protectress and guardian angel of the feminine.

Goddess of Marriage (Jupiter/Zeus) – forced marriage, mostly known for her jealousy, but Robert Graves in *The Greek Myths* writes that she was forced to marry to shift her power to Zeus for the conquering Achaeans in Greece, overthrowing her supremacy. The resulting mythology of their tumultuous marriage and her unsatiated jealousy and vengeance describe this conflict between the followers of Zeus and Hera, according to Jane Harrison in *Mythology*.

Triple Moon Goddess from Demetra George in *Asteroid Goddesses*

“Hera Parthenia” child-maiden of the new Moon and budding spring

“Hera Telia” fulfilled bride of the full Moon and fertile summer

“Hera Chera” solitary widow of the dark Moon and *desolate* winter
