Looks Far Woman

Mother, teach me how to see
The Shining lights of Stars,
The Faces of the Ancestors,
In worlds both near and far.

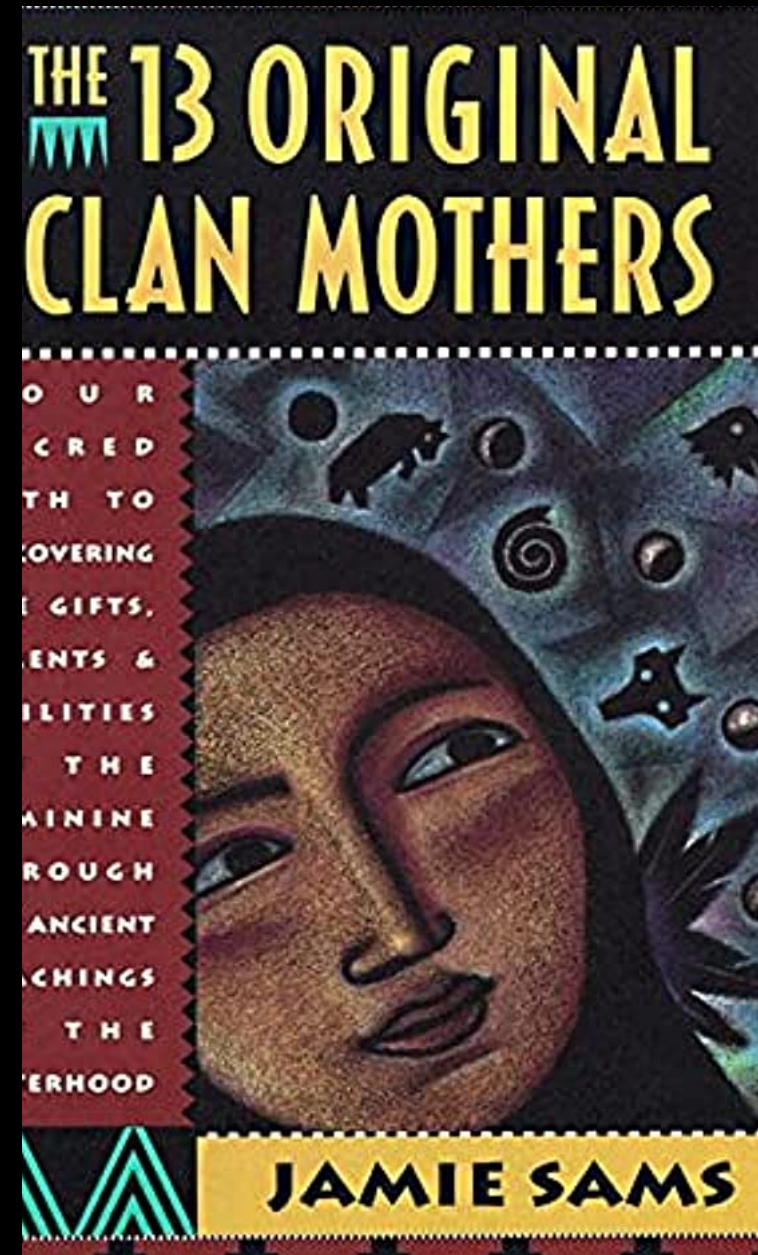

Show me how to welcome
The visions appearing to me,
Seeing the truth in detail,
Unraveling each mystery.

Walk me through the Dreamtime
Of altered time and space,
That I may share those visions
With every creed and race

Doorkeeper of all dimensions,
I see your Medicine Ways
Of how to earth my visions
Seeing Truth, inside me, today.

The Two Eclipse Charts
With Mercury and Chiron

2017 and
2024 Only

Total Solar
Eclipses in the
USA occurred in
1869, 1878, 1889,
1900, **1918**, 1923,
1925, 1930, 1932,
1945, 1954, 1959,
1963, 1970, and
1979.

**In 1918 and 99 years later
in 2017 the Eclipse path entered on the
west coast and exited on the east coast.**

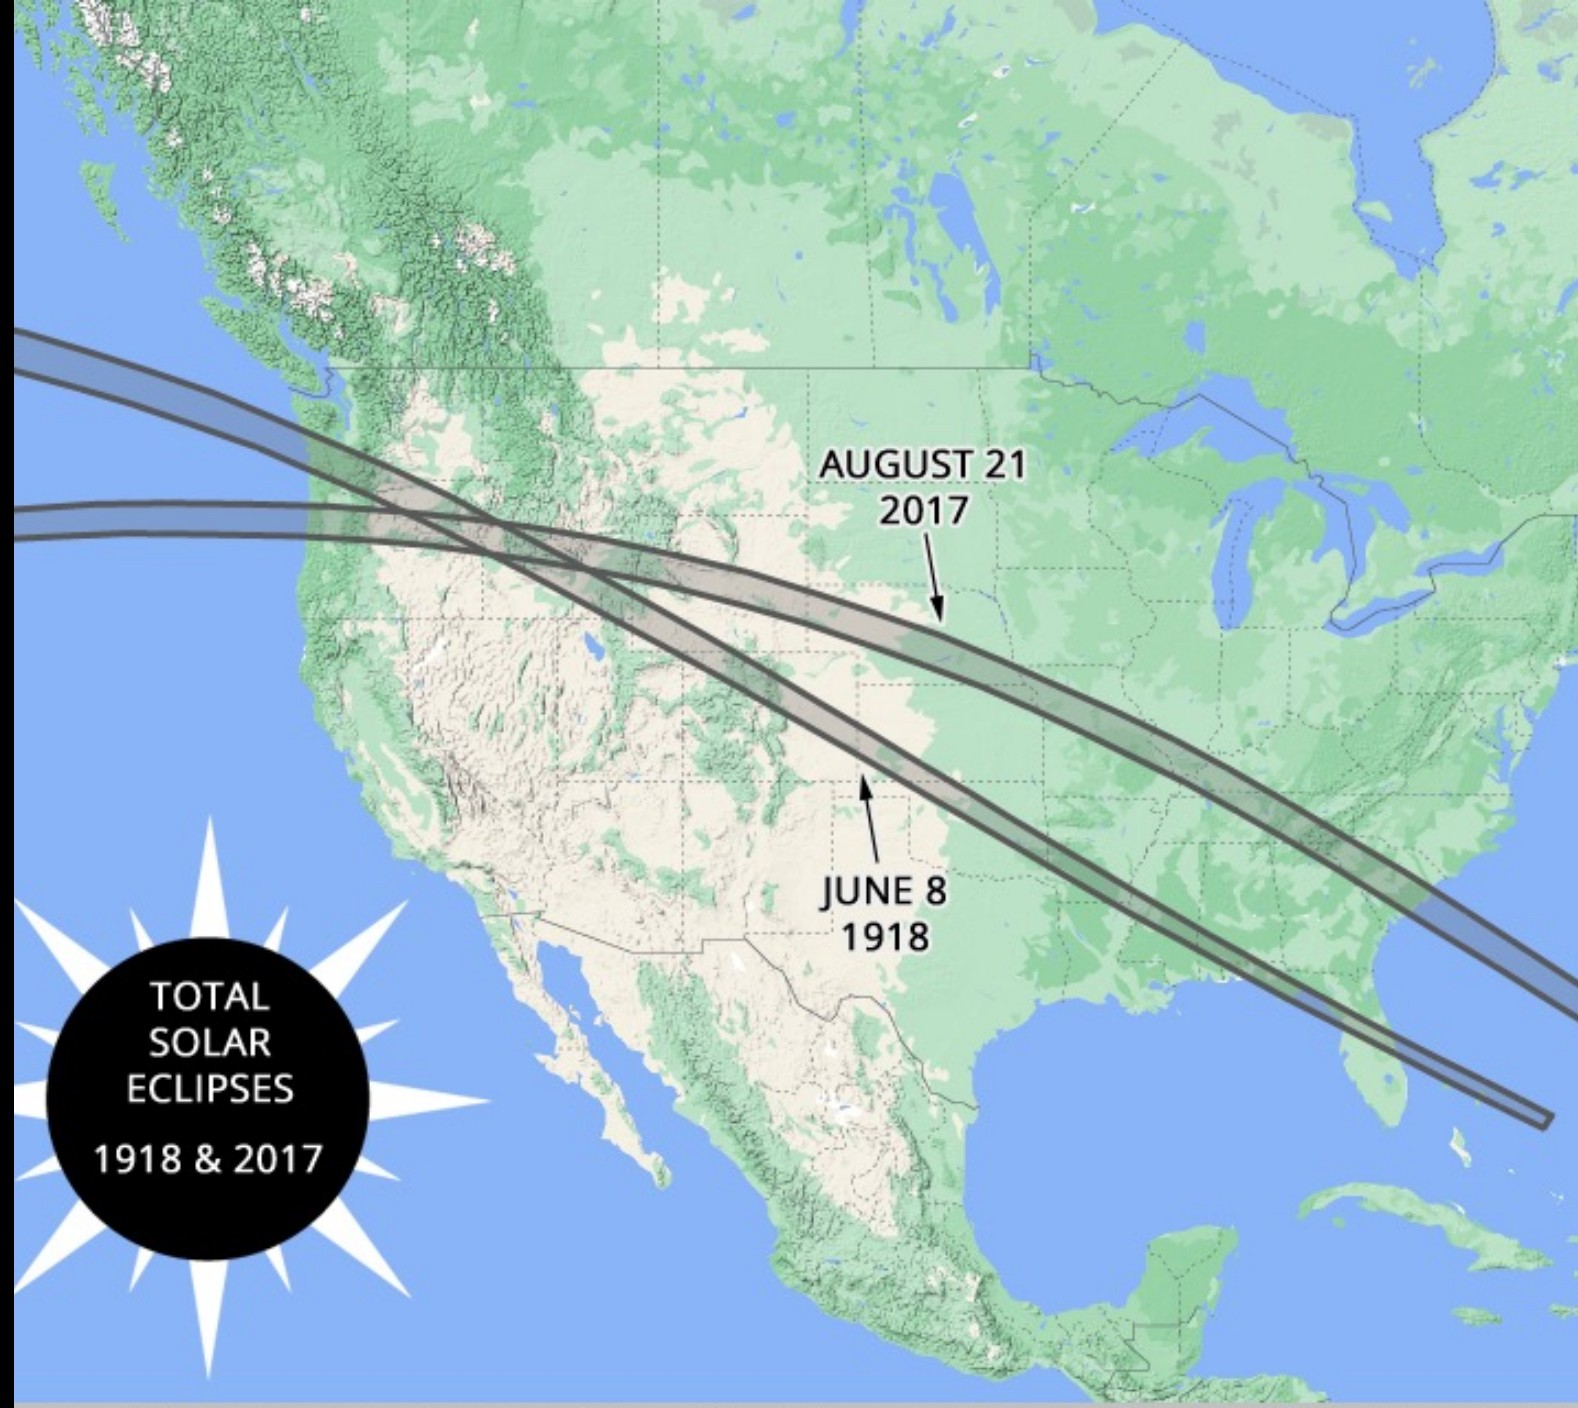

1918 featured the end of the first World War,
and the beginning of “the Spanish Flu” claiming
21 million lives worldwide.

The United States lost 675,000 people in the
1918 pandemic - more casualties than World
War I, World War II, the Korean War and the
Vietnam War combined.

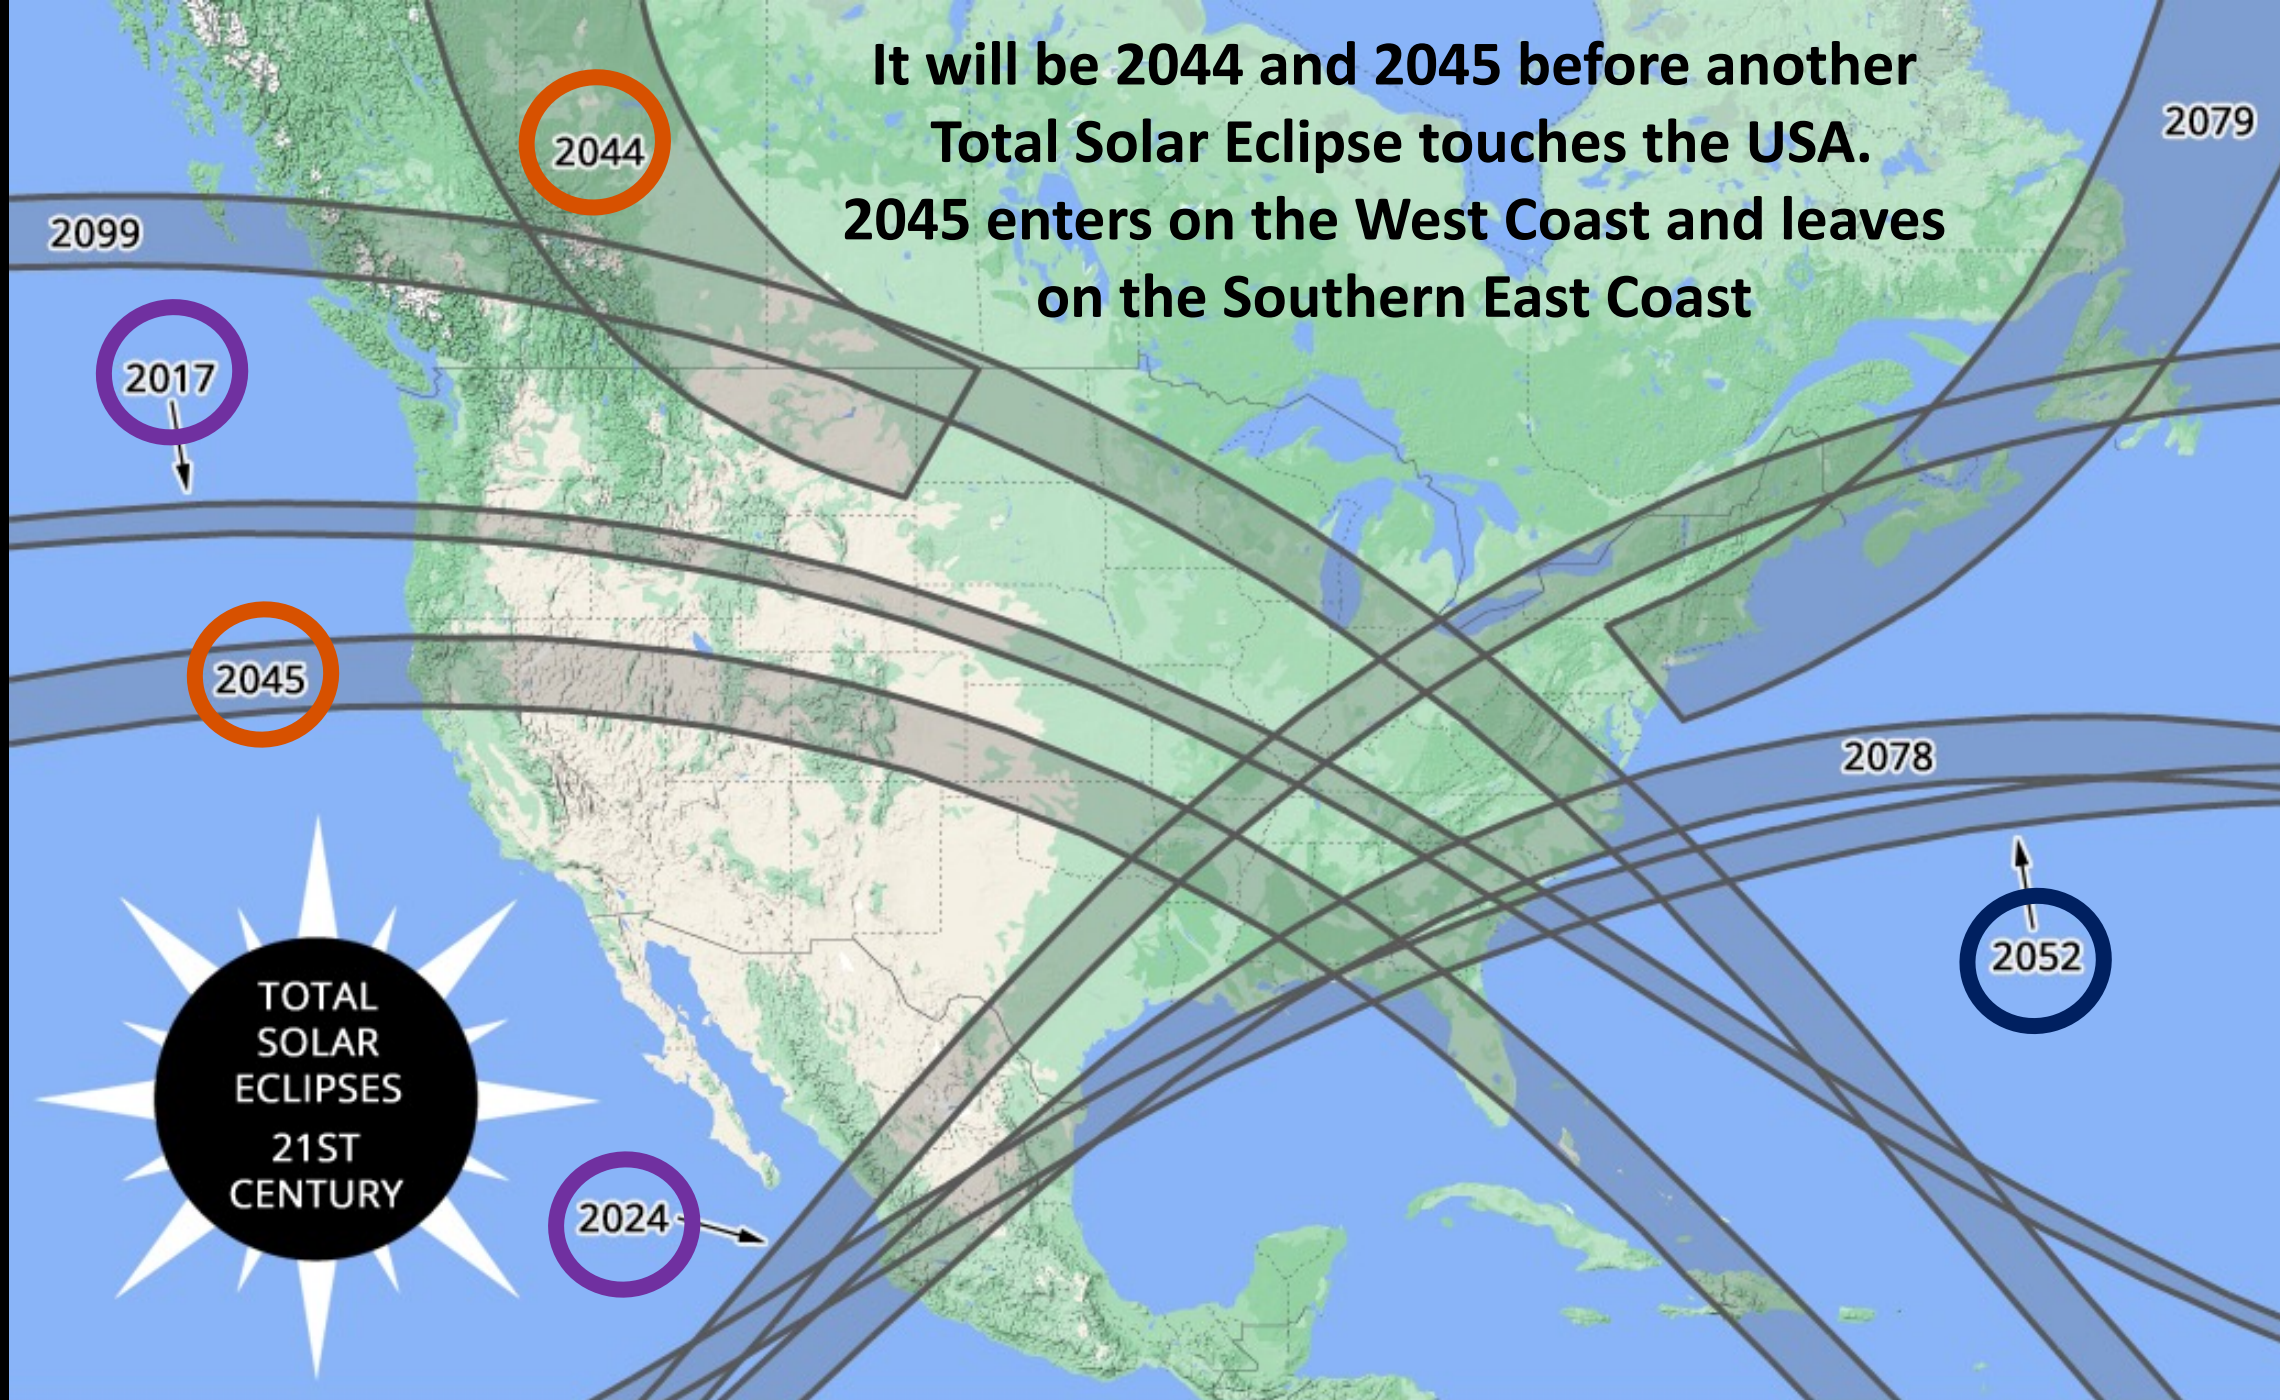

As quickly as it arrived the virus disappeared.

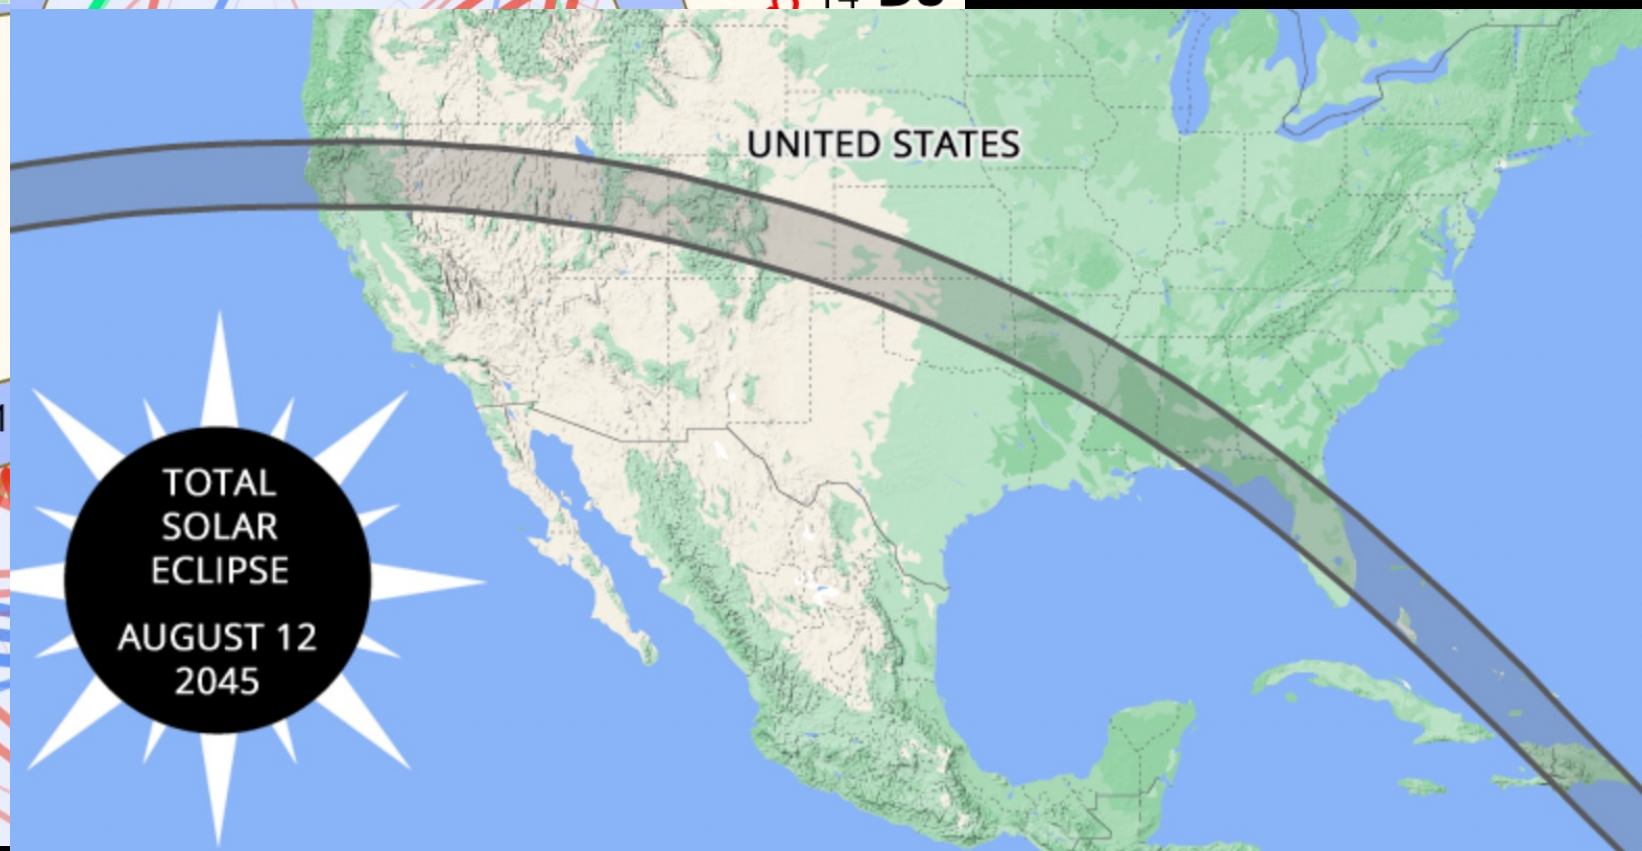

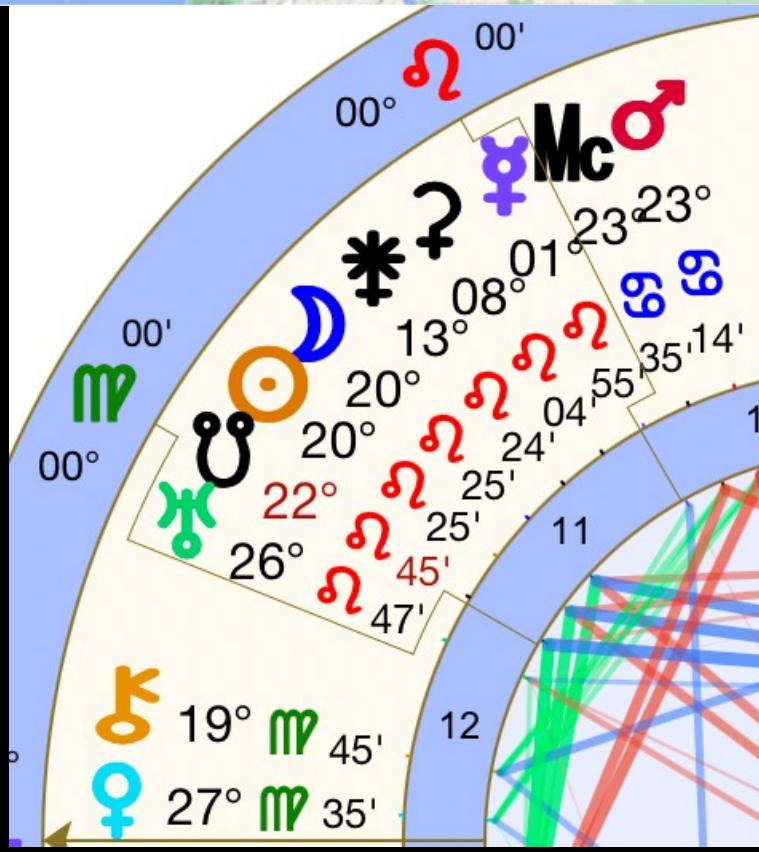

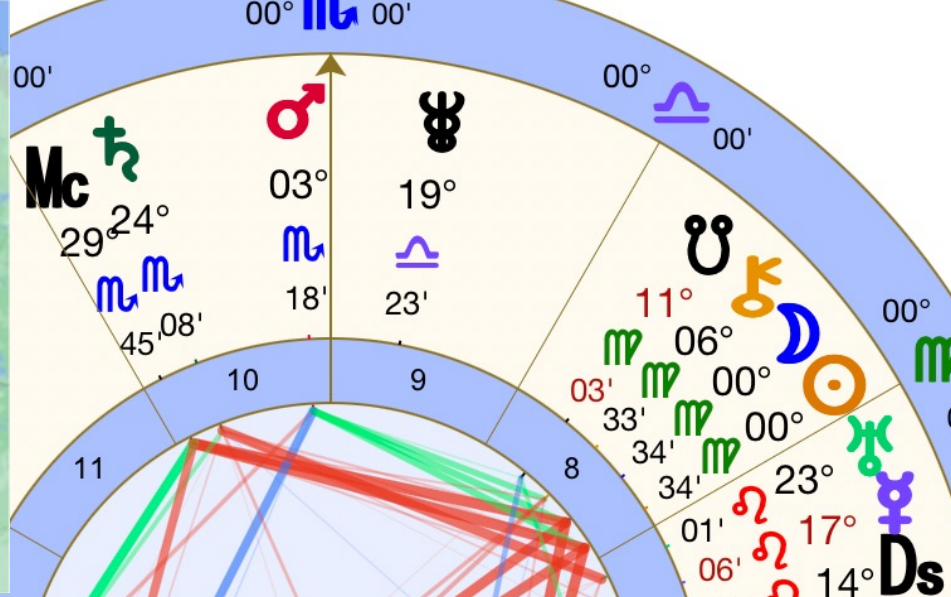

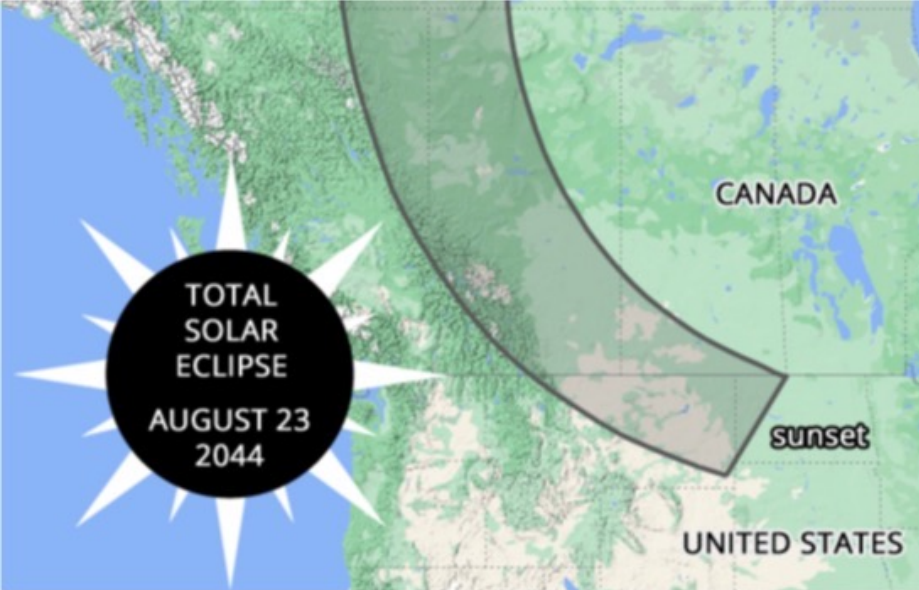

The next pandemic hit the world stage around
2 years after the 2017 Eclipse. 1.1 million
COVID related deaths have been reported in
the United States. The

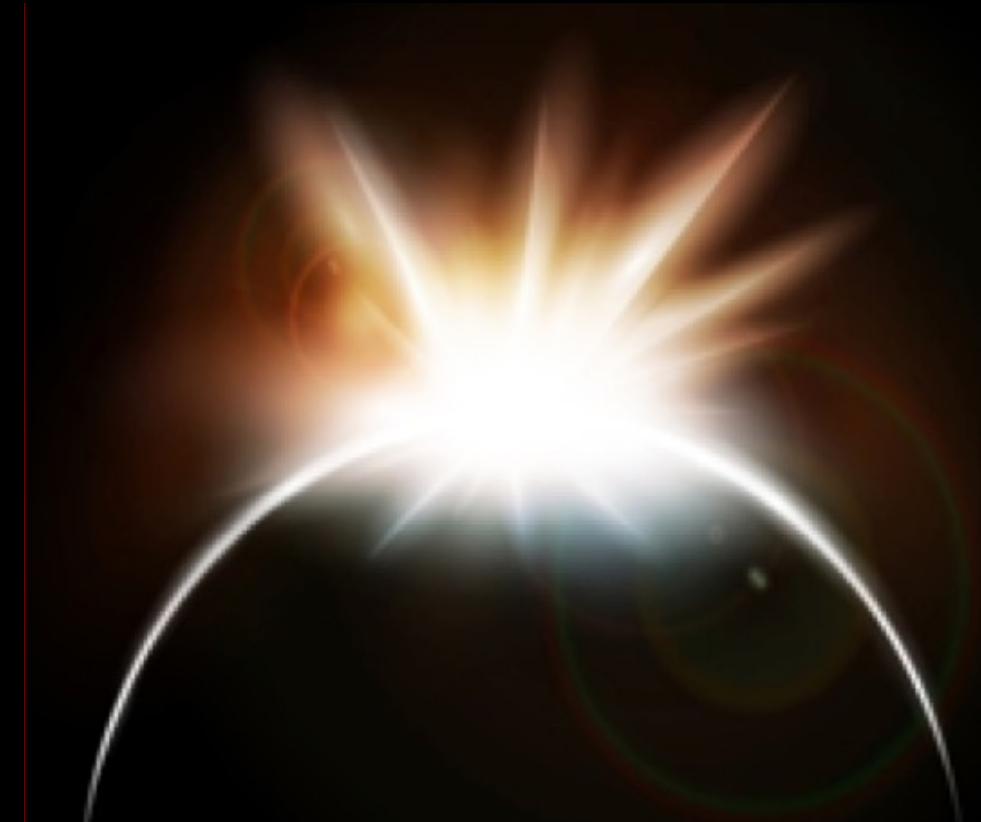

2017 Atlantic hurricane season, included 17
named storms and 10 hurricanes and is so far
the costliest hurricane season ever.

**It will be 2044 and 2045 before another
Total Solar Eclipse touches the USA.
2045 enters on the West Coast and leaves
on the Southern East Coast**

A Total Solar Eclipse turns Day to Dusk
to Night and back to Dawn to Day within a few
minutes.

A NEW day, a NEW Moon, NEW Possibilities
as the light springs from the shadow of the
Moon.

This reconnects us to our divinity or as Tolkein
describes it – the Crownless again shall be King.

*All that is gold does not glitter,
Not all those who wander are lost;
The old that is strong does not wither,
Deep roots are not reached by the frost.
From the ashes a fire shall be woken,
A light from the shadows shall spring;
Renewed shall be blade that was broken:
The crownless again shall be king.*

The Leo Meta Goddess Version:

From the ashes a fire shall be woken,
A light from the shadow shall gleam;
Renewed shall be all that was broken:
The Crownless again shall be Queen!

Releasing at the Earth Star Chakra Leo Meta-Goddess with Venus in Aries

Apr 4-29

The Leo Goddess now shares her fire with the Aries Goddess, as we continue our journey of embracing our Divine Selves, exploring greater Self-Love through our distinct connections to our Earth Mother.

We sustain our Creatorship by anchoring into our physical strength and sovereignty, in spiritual union with the magnetic core of the Earth. We individuate, tapping further into our Divine Power, while deepening our conscious connection into the earth, serving Her.

We walk with the Lioness and Warrior Goddesses to bring more of the Sacred into our strong bodies, serving others with our courage and protection. The Goddesses guide us in clearing wounds that prevent our being fully One with the Earth.

How does tuning into the fire within the Earth empower us?
How does welcoming our fiery power bring out the Divine Warrior within?
What would it feel like to protect with Earth with our courage and intuition?
What would it take to release the distortions that prevent us from giving to and receiving Love from the Earth freely?

Honoring the Queen Goddesses Morrigan

Morrigan = “Great Queen” or “Phantom Queen”

Ancient Irish Goddess of war, battle, prophecy, sovereignty and otherworld power. She represents the complex nature of the Divine Feminine, both nurturer and destroyer, linked to cycles of life, death and rebirth. She oversees the alchemical transformative processes of personal growth and spiritual evolution.

She is a shapeshifting Goddess, turning into a crow or raven, a she-wolf, and both old and young women.

She is considered a triple or triune Goddess:

- As Badb, the crow, she is the Goddess of battle, protection and death. She is often seen as the embodiment of death itself.
- As Macha, she is the Goddess of the land and sovereignty. She is often viewed as a living embodiment of the land herself.
- As Nemain, she is the Goddess of chaos and destruction.

Deepening Practice

Though journaling, meditation, conversation or whatever works for you, explore what fears may still be holding you back from living and expressing greater self-love, self-confidence, self-worth, self-approval, and self-acceptance.

How much of your life force and daily experience is being limited by these fears?

Notice how these fears may be keeping you living superficially and consider how facing these fears and transforming them would liberate you into greater Self-Love and Self-Acceptance?

Then ask yourself: what would it take to choose differently? Do you have the courage to make NEW more supportive choices? Are you willing?

Do you have the courage and willingness to face these fears and if so, what action steps are you willing to take to begin shedding the affects these fears have on your life?

Face Your Fear

A Clear Mission Leo/Aries Wonder Woman At the Earth Star Chakra Gate

In the words of Wonder Woman: I used to want to save the world. To end war and bring peace to (hu)mankind. But then, I glimpsed the darkness that lives within their light.

I learned that inside every one of them, there will always be both. A choice each must make for themselves. Something no hero will ever defeat.

I've touched the darkness that lives in between the light. Seen the worst of this world, and the best.

Seen the terrible things men do to each other in the name of hatred, and the lengths they'll go to for love.

Now I know. **Only love can save this world.** So I stay.

I fight, and I give...for the world I know can be. This is my mission, now. Forever.
