This means the Goatfish is influencing or adding
its essence to the season of Aquarius.

The Sea Goat constellation has elements of
Earth (embodiment) the Goat and Water
(feelings) the Sea.

Hence, we could imagine the sign of Aquarius is
being infused with earthy embodied practicality
guided by the power of having the freedom to
feeling our feelings in safe, supportive ways that
doesn't do harm others.

Reclaiming the Power of our Divinity at the Crown Chakra with the Leo Meta-Goddess and Venus in Pisces

thru Feb 3/4

The Leo Meta-Goddess continues moving through watery Pisces for just another few days, embracing emotional empathy for ourselves, fostering greater self-love. Returning again to Pisces in March.

We reclaim our Leo Divine Essence through the Pisces, who shows us how to merge with the Goddess herself, refilling our Souls with Universal Love.

The waxing crescent Moon meets with Venus in Pisces, gaining light as their union activates our crown chakras with pure Divine Love.

We reclaim our Sacred Divine Soul Selves by simply allowing the Love of the Goddess to flow into us. We meet her Love with our own and share it back with her, blessing her with our Leo-Pisces Love.

As the Moon joins Venus, we are enveloped in the culmination of our journey—LOVE

- *How is it that I am now a Soul empath of love?*
- *What would it take for me to honor my Divine Essence with love and compassion?*
- *How am I now radiating my Self-love out into the World?*

Reclaiming the Power of our Divinity at the Crown Chakra with the Leo Meta-Goddess and Venus in Aries

Feb 4 — Mar 27

The Leo Meta-Goddess enters Aries, where she will turn retrograde and meet with the Sun, blessing our Divine essence with her fiery power.

We reclaim our pure intuitive divinity, feeling our passion for the Goddess growing. Like lava reaching the ocean we are birthing the new earth from within. We protect with our fierce self-love, reclaiming the power of the Divine Feminine into our world.

- *How do I experience the pure fire of the Goddess within me?*
- *How am I feeling the empowerment reclaiming Divine Love has brought me?*
- *What am I now choosing to create with my Divine Powers?*

Venus will spend the next 4+ months dancing with Aries and Pisces, even beginning her next cycle in both, as she visibly rises into the morning sky in Aries for some and Pisces for others.

Aries and Pisces are exceptionally activated throughout 2025 and into 2026

Questions For Leo Evening Star at the Crown Chakra

- *How is it I am Now Living even more confidently in my own divine authority trusting and acting upon what I know in ways that increase my self-confidence and self-love?*
- *How is I am Now Living in the best, most beneficial, most harmonious, most fun, creative ways for myself and all life?*

Asking Questions as if it is happening, or has already happened, inspires the answer to find fulfillment through you beyond all logic and reason.

Practices for the Crown Chakra

Bless your World

Cultivate a daily blessing practice, actively praying for or blessing your self, your living space, your community, the land – wherever you are and whatever is in your sphere of influence.

Example: I love and bless myself with pure love and light and pure source energy.

I love and bless ***_add whatever works for you: myself, my home, my family, my community, my world_*** with pure love and light and pure source energy.

Leo Meta Goddess Practices at the Crown Chakra

Celebration of Self List

Write a list of things you are celebrating about yourself. Consider where you feel joy or contentment in your body, spirit, emotions, relationships, work, etc. Be specific and detailed as possible. Read your list out loud daily.

I am celebrating my willingness to reclaim my whole self.

I celebrate my courage and commitment to embracing who I am even when it feels messy.

I celebrate my healthy daily practices feeling wiser, more alive and more joyous every day.

I am celebrating all those who are shining their light and reclaiming their crown chakra and joining together with me to bless each other and the world.

Create Your Own Crowning Ceremony and Coronation Proclamation

Reclaim your divine authority by placing a crown (or something that represents a crown) on your head.

You can do this yourself or have someone do it for you.

Then craft a proclamation you say out loud. For example:

I claim and embrace my divine authority as a sovereign being, in charge of my own destiny.

I claim and celebrate my wisely inspired divine inner knowing as my divine birthright guiding me in joyfully living and fulfilling my divine design through my life purpose.

I claim and embody my sovereignty and greater experience of wholeness within, I Love how I am living from love as I continue to increase my own radiant health and fun co-creative experiences that changes my world and the world around me.

Find more insights for your Coronation Proclamation on the 7th chakra Video on the Crown Chakra Class page.

Self-Forgiveness at the Crown Chakra

“Self-acceptance comes from self-forgiveness

...which can feel strange to those of us who are used to judging ourselves. Self-forgiveness expands our own story about our lives, which includes our sense of purpose to what we truly love. When you tap into your own self-trust and self-confidence, it amplifies into trust and confidence in other people, the conditions and circumstances of your life, and the universe itself. ”
