Keeper of tomorrow's dreams,
Mother of the star-filled night,
Show me how to live my truth
And bring my dreams to light.

Teach me how to use my will,
Living the truth I find within,
Discovering all the parts of me
Where light and shadow blend.

Let me sing the future song
With concern for what will be,
Upholding all of nature's laws
For creatures, stones, and
trees.

Mother, I see you in the sunset
And I hear you in the rain.
You teach me inner knowing
Through your heart's sweet
refrain.

The Virgo New Moon was near the star marking the Denebola (the tale) at 21°Virgo59' having just passed Zosma 11°Virgo 41' a.k.a. the hindquarters of the Lion.

It is the hindquarters that help determine direction. It is where strength and fortitude are found for forward movement toward an intended result.

Mercury is at the Equinox Point where the Sun will be on September 22. Venus has just entered Scorpio. And Uranus just went retrograde.

The Soul Star Chakra is the energy center for Divine Love, Spiritual Compassion, and connecting to Soul Purpose.

When Healthy, Active and Functioning Properly This Chakra IS a gateway to ideas and concepts beyond everyday reality.

IS the gateway to enhanced clairvoyance, out of body travel, healing gifts, telepathy, empathy, and advanced dream-recall capabilities.

This chakra downloads specific information to the lower chakras and clearly connects you with your spirit guides and your higher self (the part of you that knows).

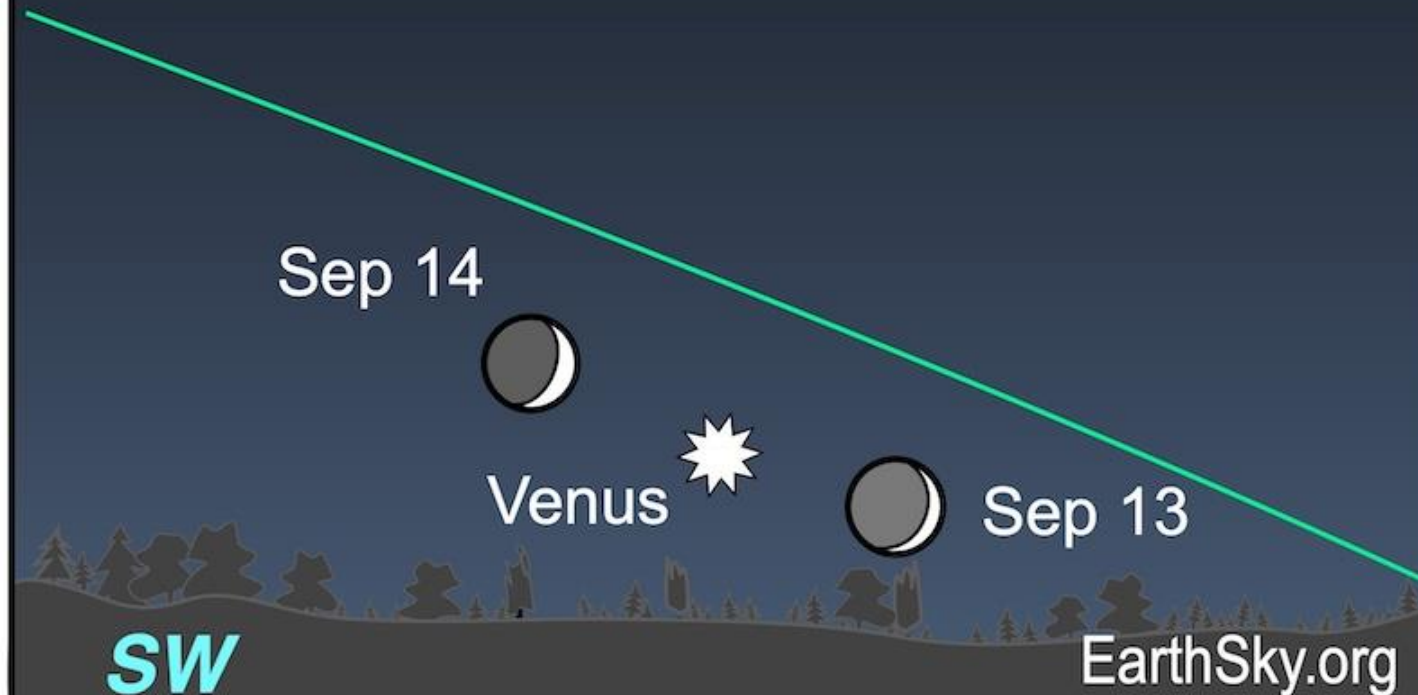

Your crown chakra represents how your individual essence is connected to the divine, while your soul star chakra is beyond your personal self, representing your Pure Soul Self.

This Chakra fills your soul with the necessary elements required to go beyond individuality becoming one with the divine.

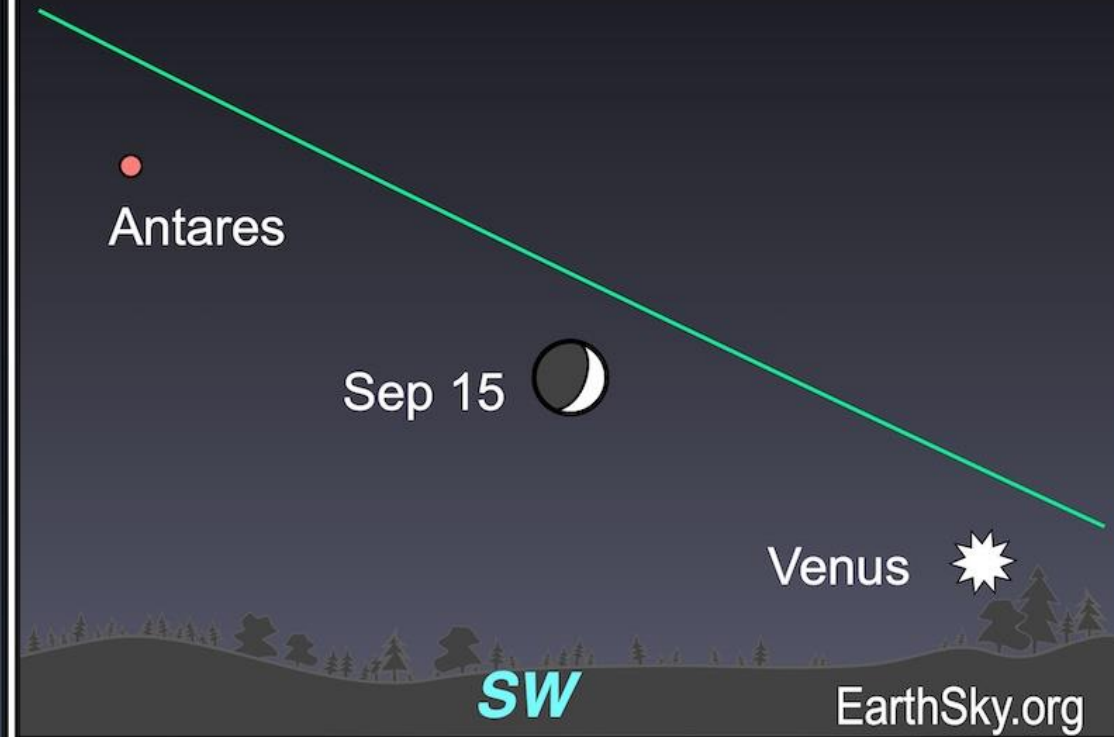

In the physical world, connecting with your soul star chakra enables you to be at peace, have fun and live your true soul's purpose.

Venus disappears behind the Moon on September 14. For people in Europe and Africa this begins at 11 am Universal Time.

Few people (if any) will see the occultation. But many will see the moon exceptionally near Venus in the evening sky.

Soul Star Chakra Gate of Ascension When Does the Gate Complete?

Is it when Venus Stations Rx? That has been the old standard.

In 2025 at the last Venus cycle, Venus Stationed Rx and met with the Moon about 3 hours later. In 2026 Venus Stations Retrograde on October 03 about 19 days after the 8th Gate and about 20 days before the Rx.

Is it when Venus conjuncts the Moon while retrograde and still not officially in the morning sky (10° from the Sun)? In 2026 Venus Rx and the Moon meet on October 11 before Venus disappears from evening sky.

Is it when Venus disappears from the Evening Sky 10° from Sun? Happening on Oct 17, 2026

Is it when Venus Rx Meets with the Sun? That is Oct 23/24

In this cycle it seems October 11 ends the 8th Gate and begins the full-on Integration Phase of the Current Venus Cycle.

Another Question to ponder: Is the 8th Gate featured until Venus Meets with the Sun in the Metamorphic Underworld Oct 23?

Reclaiming our Soul Power at the Soul Star Chakra with the Aries Pisces MetaGoddess with Venus in Scorpio

Sep 10—Jan 7, 2027 due to Retrograde (with some Libra sprinkled in)

As Venus embarks on her journey through Scorpio, she activates the **Soul Star Chakra** through transformation, surrender, soul wisdom, and reclaiming our connection to our souls and deeper soul purpose.

Soul Star healing here comes through listening beneath the surface for what our soul is asking of us. Scorpio reminds us that endings and transformation can initiate us into greater alignment—releasing what we've outgrown so we can become who we are here to be.

It is the Soul Star Chakra in Scorpio that knows:

I trust the deeper wisdom of my soul to guide my transformation.

Scorpio Soul Star Chakra Medicine:

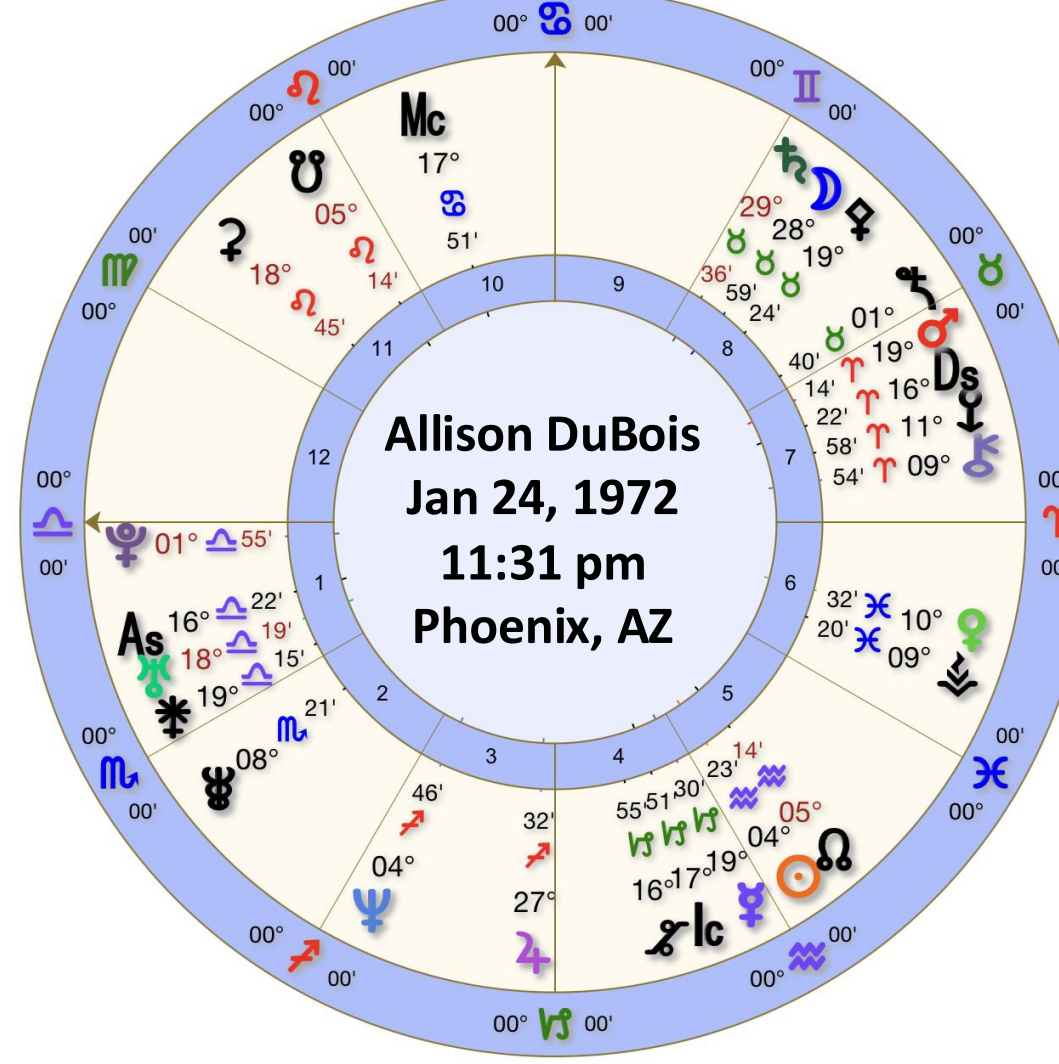

Release what your soul has outgrown

Trust the deeper purpose within transformation

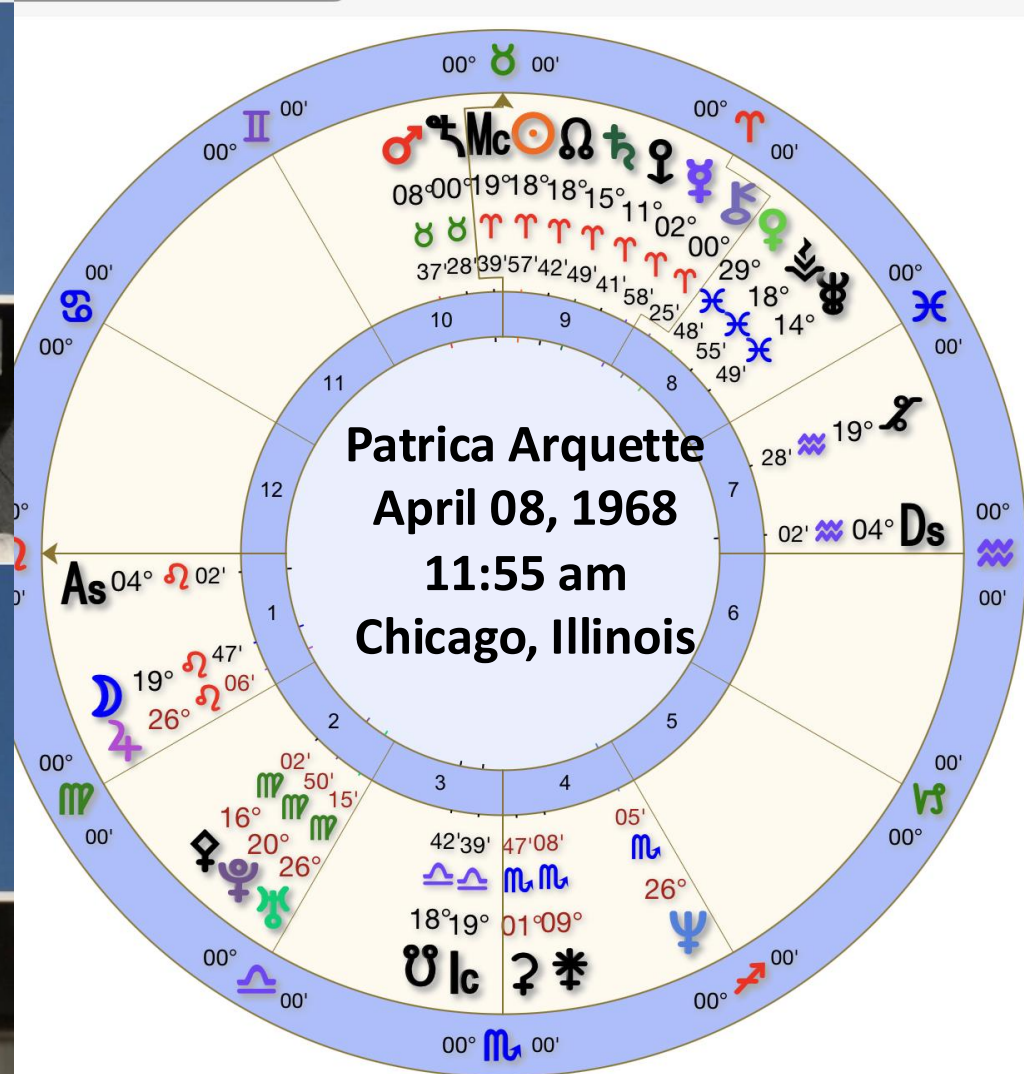

Follow what is calling you toward your next becoming

This is the Soul Star Chakra reclamation that **releases, transforms, and evolves.**

Patricia Arquette

The Real Life Person the TV Show Medium was Based on

Patricia Arquette Plays Allison DuBois on the TV show Medium

**Both have Venus in Pisces suggesting access to Intuitive Abilities including those who have passed on
 Both have Aries Planets suggesting the desire for Justice and Defending the Innocent**

Allison DuBois received her GED at the Age of 16 and worked as an intern at the County Attorney's office in Phoenix while in college and received her B.A in Political Science with a minor in history from Arizona State University.

Career

Allison refers to herself as a medium and profiler rather than a psychic, because of the negative connotation she feels is associated with the term "psychic".

She claims that she became aware that she had the ability to communicate with departed souls when she was six years old.¹

She uses this ability to connect deceased loved ones to the living and to help law enforcement agencies solve crimes including the Texas Rangers and the Glendale, Arizona Police Department.,

She also uses her abilities as a jury consultant.

Allison DuBois

Patrica Arquette

Allison DuBois

According to TV Guide the real life Allison participated in various tests at the University of Arizona to assist with their studies of mediums. Gary Schwartz director of Veritas research project claims Allison has psychic abilities.

Medium the TV Show

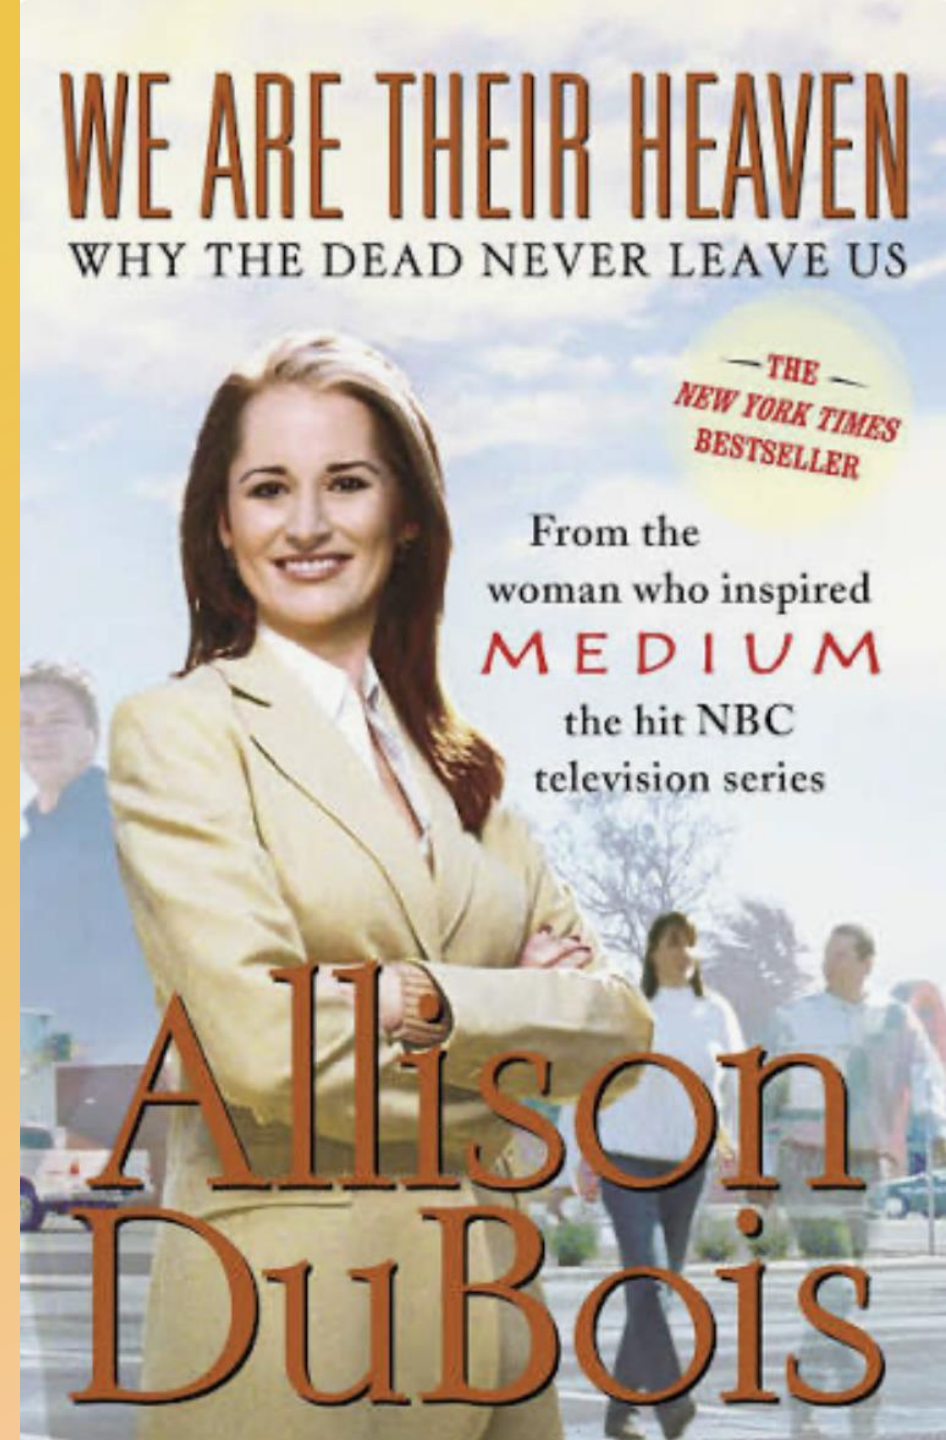

This show had 7 seasons airing from 2005 to 2011 on NBC and CBS and is based on Allison DuBois' Book, *Don't Kiss Them Good-Bye*.

Patricia Arquette, born April 8 1968 played Allison DuBois in the TV show (a supernatural drama series from 2005–2011). Patricia won the Primetime Emmy Award for Outstanding Lead Actress in a Drama Series in 2005.

The TV character played by Patricia Arquette is fiercely committed to making sure justice is honored through what she sees in her dreams. Very Aries Pisces.

The episodes are based on Allison's real-life experiences and Allison DuBois has stated that the show closely resembles the truth of her life.

Both the TV Show character (played by Patricia Arquette) and the real-life Allison have three daughters, and the first case on the show Allison "consults" on in the show's pilot is with the Texas Rangers, the law enforcement agency with whom the real-life DuBois alleges she first worked.

Surfers of the Zuvuya: Tales of Interdimensional Time Travel by José Argüelles

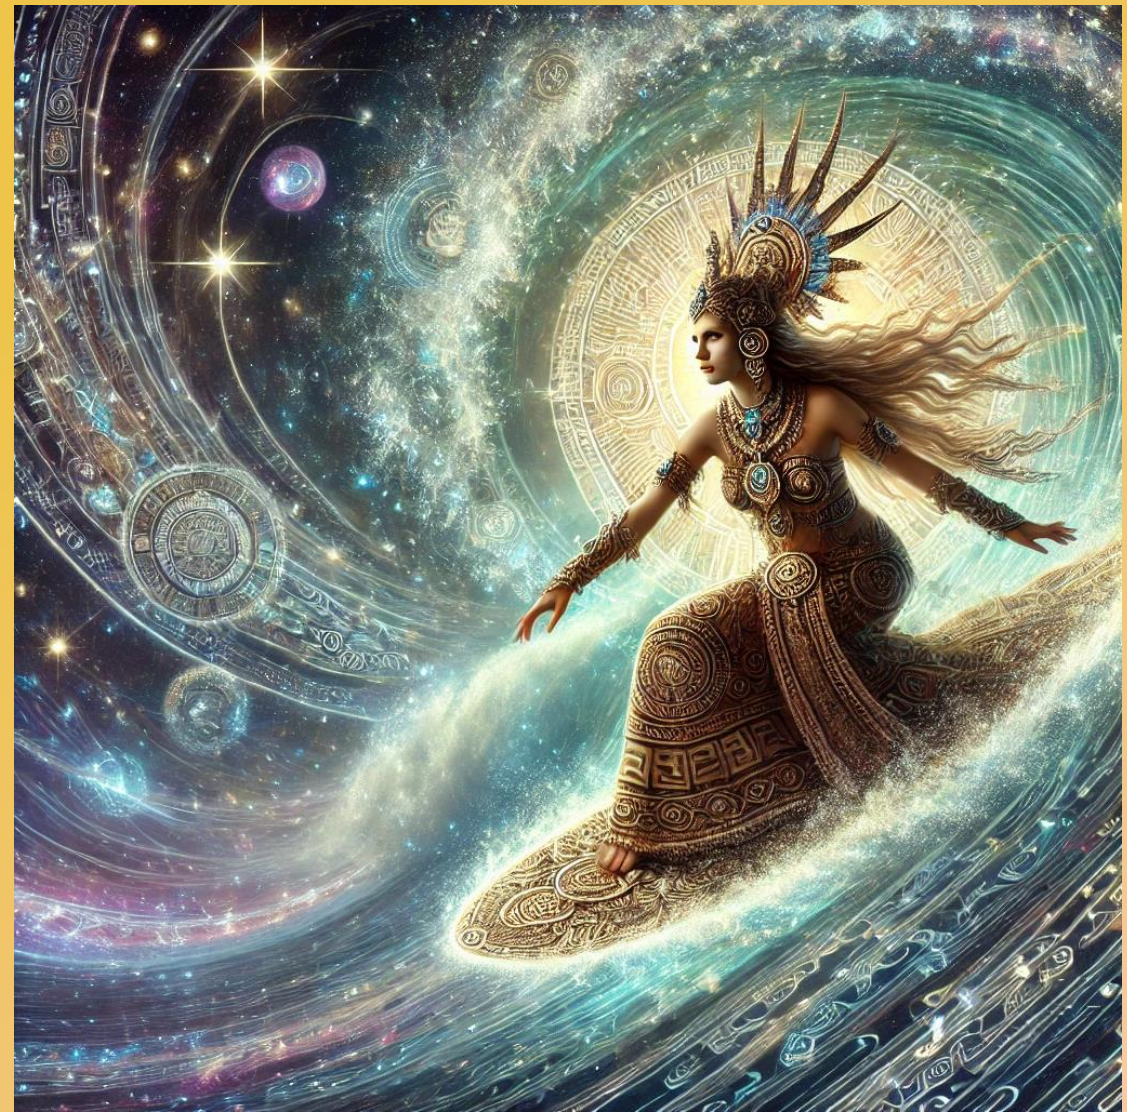

Soul Star Chakra Gate Insights

*Zuvuya is a Mayan term for our
interdimensional connection to all
past and future dimensions.*

*It is also the universal wave of energy that
surrounds all life reminding us that the
universe operates within simultaneous
dualistic cycles.*

*The key to surfing the Zuvuya is
radical trust and radical surrender.*

*We must create a total world transformation including a revolution in attitude.
We need to understand our life in a joyous and happy manner as
it will NOT work unless we play!*

Astrology for Real Life Coaching

Scorpio Soul Star Chakra • Soul Connection

Soul connection guides your way forward.

Scorpio invites us beneath the surface—into the deeper waters where our truth, intuition, and soul wisdom live.

Self-connection creates the space to hear that wisdom.

When we pause, listen inward, and notice what is moving within us, we strengthen our ability to recognize what feels aligned—and what no longer does.

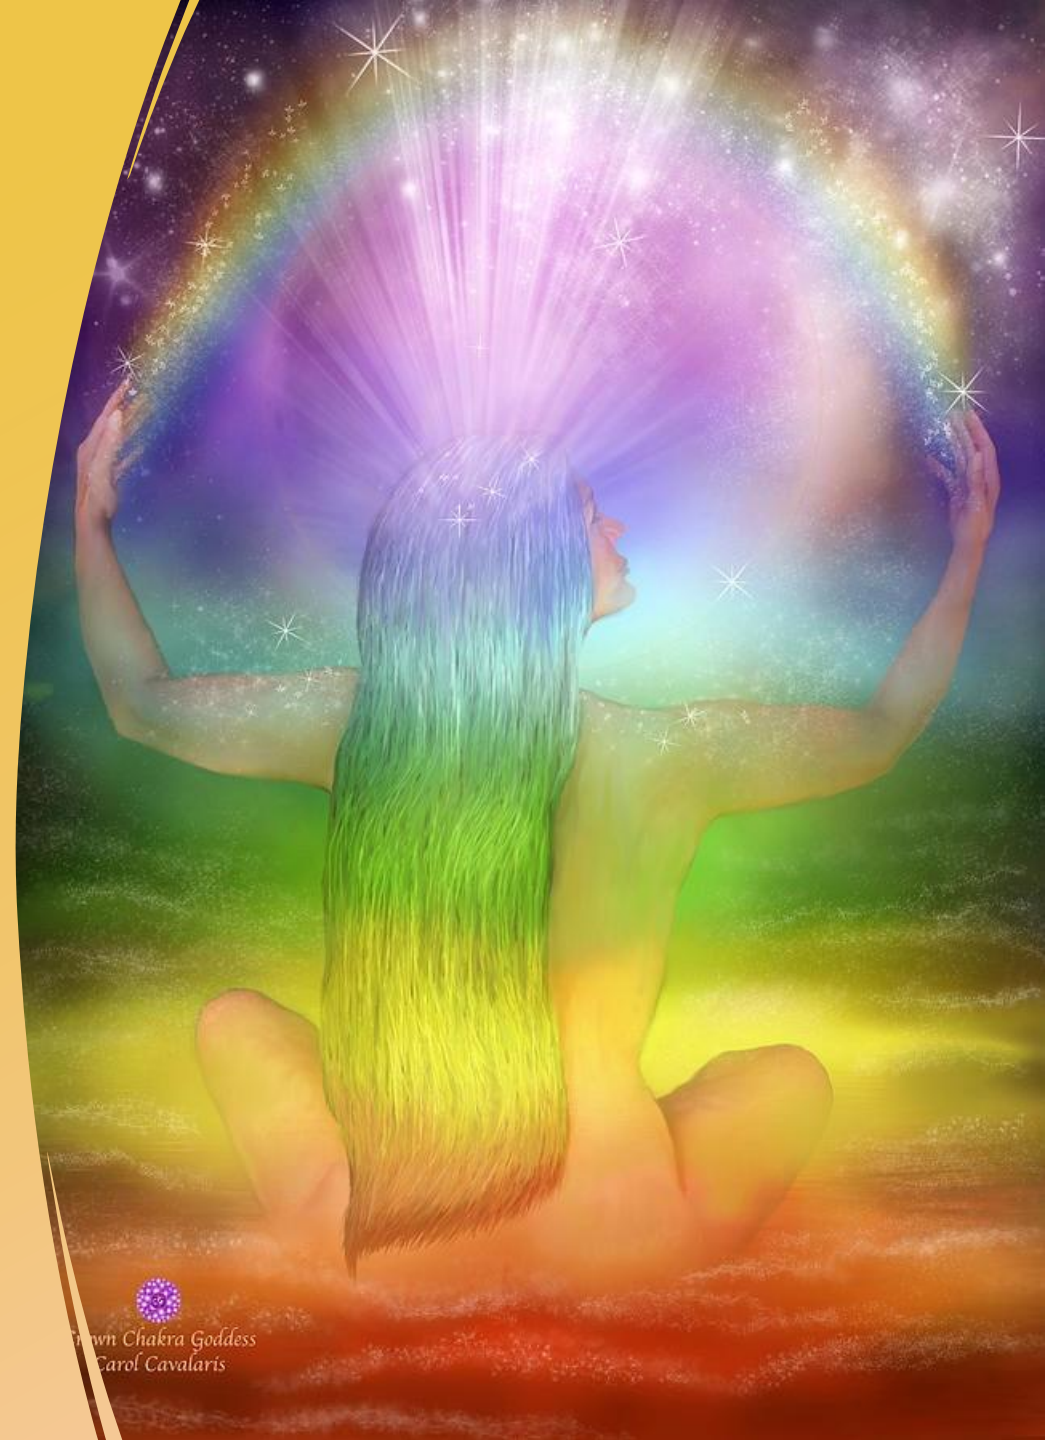

Soul connection is a practice:

- Pause and turn your attention inward
- Notice what your body, emotions, and intuition are telling you
- Listen beneath the noise for what feels deeply true
- Take one small action toward what is calling you

After everything you've explored this Venus cycle, the invitation is to **trust what you've discovered about yourself.**

Ask yourself:

What is my soul asking of me now?
